

## Football Uniform Requirements Effective 2010

A jersey with clearly visible and legible Arabic numbers 1-99 inclusive on the front and back which shall be long enough to reach the top of the pants and shall be tucked in if longer.

1. The numbers shall be centered horizontally at least 8 inches and 10 inches high on front and back, respectively, and with bars or strokes approximately 1 ½ inches wide.
2. The color and style of the number shall be the same on the front and back.
3. The body of the number shall be either a color(s) contrasting with the jersey color, or the same solid color(s) as the jersey with a minimum of one border that is at least ¼ inch in width of a single solid contrasting color.

### BEGINNING IN 2010

4. Players of the opposing teams shall wear jerseys of contrasting colors.
  - a. Beginning in 2010, the visiting team jersey shall meet the following criteria
    1. The yoke of the jersey (from the neckline to the seam at mid-chest inclusive of the shoulders) and the body of the jersey (the area below the yoke) shall be white and shall contain only the listed allowable adornments and accessory patterns:
      - a. Stripes, a maximum of 1 inch in width, may be placed on the sleeves
      - b. A border, a maximum of 1 inch in width may be placed around the collar and cuffs
      - c. A sideseam (insert from the underarms to the top of the pants), a maximum of 4 inches in width may be utilized.
  - b. Beginning in 2010, the home team jersey shall meet the following criteria.
    1. The yoke of the jersey (from the neckline to the seam at mid-chest inclusive of the shoulders) and the body of the jersey (the area below the yoke) may not include white except as stated in subsection 2 below.
    2. If white appears in the jersey of the home team, it may only appear:
      - a. as the jersey number
      - b. as a decorative stripe (not to exceed 1 inch in width)
      - c. as a border on the collar or cuff (not to exceed 1 inch in width)
      - d. as a sideseam (not to exceed 4 inches in width)
