Review of the SDHSAA Foundation and Corporate Contracts

Dan Swartos discussed the happenings pertaining to the SDHSAA Foundation since August. This included the separation of entities between the SDHSAA and SDHSAA Foundation, the SDHSAA Foundation obtaining its own Tax ID#, checking account, and post office box, the continuation of all corporate sponsor funds to the general fund through FY 18, and the development of a benefit structure for corporate sponsors and foundation donors that was approved through the SDHSAA Board of Directors.

One corporate partner has decided to move their contributions to the SDHSAA Foundation moving forward. A new corporate partner to replace the one that moved has tentatively been secured. The SDHSAA anticipates to receive the same amount of corporate sponsor contributions in FY 19 as it did in FY 18.

Review of Current Budget and Proposed FY19 Budget

Dr. Swartos presented the committee with financial information regarding the invoicing of SDHSAA dues (\$0.30/student 9-12, with a minimum of \$30 and maximum of \$300 per school) and postage/subscription fees (\$125 per school) to help balance the SDHSAA budget.

He also reviewed the financial impact of increasing the per activity fee of \$60 by \$10 to \$70 per activity to help balance the SDHSAA budget. The last per activity increase was implemented five years ago in FY13. With 28 activities offered, the maximum increase of this would be \$280 for a school that offered every available SDHSAA sport and fine arts activity.

Both of these items were recommended for implementation by Dr. Swartos. Superintendents and Business Managers were notified of this by Dr. Swartos several months ago so they could plan budgets accordingly.

SDHSAA Finance Director Isaac Jahn reviewed the FY 18 budget and year to date actuals with the committee and reviewed a proposed FY19 budget.

Review of 2017-18 Sub-State and YTD State financials

Dr. Swartos and Isaac Jahn reviewed the sub-state financials from 2017-18 and reviewed state event financials to date from the 2017-18 school year. Extensive discussion ensued regarding development of standardized allowable amounts in region events regarding administrative/supervision pay, committee expenses, and hospitality fees due to the extreme discrepancies by region in these areas.

Review of Officials Pay

Dr. Swartos and Isaac Jahn reviewed current rates and suggested changes to officials pay for FY19. Bud Postma spoke in favor of implementing a procedure to review officials pay every year and to regularly raise officials pay to keep up with outside wages.

Recommendations to the SDHSAA Board of Directors
