However, any accredited school student who leaves an accredited program during the course of the school year for any reason and enters an alternative instruction program is ineligible for participation in interscholastic activities for one year beginning on the date in which the student enters the alternative program.

The Board of Directors shall employ such other and necessary professional and clerical assistance as may be necessary and shall have authority to fix their salaries. The Executive Director shall be the official executive for the Board of Directors and shall carry on the activities and discharge the duties, including those of the Treasurer, that naturally accrue to such office, but at all times be guided in his decisions and actions by this Constitution and Bylaws and by the policies established by the Board of Directors and by any special instructions given him from time to time by the Board. Decisions of the Executive Director that may aggrieve a member or members concerned may be appealed to the Board of Directors and the resultant action of the Board of Directors shall hold precedence over any deviating decision of the Executive Director.

The constitution, Bylaws, regulations and playing rules of such national organization, upon approval by the Board of Directors, shall apply to all members of this Association in all high school interscholastic activities to which regulations of the national association or associations are designed to apply, excepting cases of conflict in Bylaws or rules, if any, between such national associations and this Association.

## **ARTICLE VII ADMINISTRATION BY THE BOARD OF DIRECTORS (Functions, Powers, Duties)**

**SECTION 1. CONTROL OF FUNDS.** The Board of Directors shall:

- A. Determine all necessary expenditures of Association funds.
- B. Make available the books and records for audit by the state.

- I. To rectify any error made by anyone that results in depriving a student of rightful eligibility under this Constitution and Bylaws to participate in interschool activities or that results in granting such eligibility undeservedly.
- J. The Board of Directors, or the Executive Director, as hereinafter provided in Section 10, shall have authority to waive the enforcement of the transfer rule when it appears that an individual student would be unjustly penalized because of (1) death of a parent; (2) divorce; (3) court adjudicated separation of the parents; (4) change in economic status of the parents beyond the control of the student's family which forces the transfer. A waiver under this sub-section shall only be granted when the economic change is a foreclosure, bankruptcy, or parents loss of job which would require documentation by the parents; (5) assignment, by any governmental agency of a student to a particular school or school district; (6) assignment, by any governmental agency, of a student to a facility such as McCrossan Boys Ranch; (7) No Child Left Behind—NCLB; and (8) any other circumstance of a similar serious nature.

**SECTION 5. CONTROL OF OTHER ACTIVITIES.** The Board of Directors shall have the power to adopt such rules and regulations in connection with any and all high school activities not inconsistent with the Constitution and Bylaws of the Association as it may feel necessary. In order to organize, plan and supervise the operation of the various activity programs, the Board of Directors shall appoint advisory committees consisting of not less than three nor more than seven members, who shall be either administrators or persons qualified to teach or coach the activities in the committee's charge. These advisory committees shall be responsible to the Board of Directors and their decisions shall be subject to the approval of the Board of Directors.

**SECTION 10. CONTROL OF ELIGIBILITY OF STUDENTS.** Since it is important that eligibility cases be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing. The term "days" when used in this policy will mean working days. (Monday-Friday except holidays)

The eligibility of students of member high schools to participate in South Dakota High School Activities Association events will rest with the Board of Directors of the Association under the powers of Section 3 above.

### **LEVEL ONE: EXECUTIVE DIRECTOR**

Initial rulings on request for interpretations regarding eligibility based on the Association Constitution and Bylaws, including rulings on all hardship cases, will be made by the Executive Director. Once the request is received in the SDHSAA office, the Executive Director will render a decision in writing to the aggrieved party within fourteen (14) days.

### **LEVEL TWO: APPEALS COMMITTEE**

The member school aggrieved by a decision of the Executive Director in eligibility cases may appeal such decision to an Appeals Committee of the SDHSAA within seven (7) days after receiving notification of the Executive Director's decision. Such requests will:

- A. be made in writing
- B. be signed by the member school requesting the appeal
- C. include a detailed explanation of the factual situation as per the particular question or questions involved and
- D. be directed through the office of the Executive Director of the SDHSAA.

The Appeals Committee will be appointed by the Executive Director and will consist of three (3) members, one of whom will be designated as the chairman of the committee. All members of such an Appeals Committee will be superintendents, high school principals, athletic/activities directors, or board of education members of member schools but no representative will be named from a school which is involved in the decision. The Executive Director of the SDHSAA will establish a date and conduct a hearing within seven (7) days and will advise all interested parties and committee members of the time, place and purpose of the hearing.

The hearing conducted by the Appeals Committee will be fair, impartial and in accord with due process of law. The Appeals Committee will have the authority to investigate the factual situation as per each request and require that additional, specific information be submitted. The aggrieved party and the Board of Directors will have the right to be represented by counsel; to examine and cross-examine witnesses; and to present evidence of all relevant nature in the matter before the Committee. The Appeals Committee will render a decision within seven (7) days following the hearing. Any decision made by the Appeals Committee may be appealed to the Board of Directors. Such requests will:

- A. be made in writing
- B. be signed by the member school requesting the appeal
- C. include a detailed explanation of the factual situation as per the particular question or questions involved and
- D. be directed through the office of the Executive Director of the SDHSAA.

### **LEVEL THREE: BOARD OF DIRECTORS**

Appeals from the three member Appeals Committee shall be initiated by the member school and will be to the Board of Directors of the SDHSAA. The request will be filed within seven (7) days after receiving notification of the decision of the Appeals Committee. The decision of the Board of Directors will be final. The Executive Director and/or the Board of Directors will have the authority to investigate the factual situation as per each request and require that additional specified information be submitted. The Board of Directors will hear appeals during their next regularly scheduled meeting.

Written notification of the decision of the Board of Directors will be rendered through the office of the Executive Director within seven (7) days following the Board of Directors hearing.

Nothing herein contained will prohibit the Executive Director or the Board of Directors from initiating investigations of cases of eligibility, including the right to require that information pertinent to such investigations be submitted. The Board of Directors can issue rulings resulting from such investigations in the same manner and with the same force and effect as decisions rendered pursuant to written requests.

All decisions of the Board of Directors rendered pursuant to this section shall be final. **(Amended 6-30-16)**

## **ARTICLE VIII LOCAL ADMINISTRATION OF CONTESTS**

**SECTION 1. PRINCIPAL RESPONSIBLE.** The principal of the high school or the superintendent of schools or the athletic/activities director, or his authorized faculty representative shall be the official representative for each member school, and such principal or superintendent shall be responsible to the Association for all matters pertaining to the activity relations of the school.

**SECTION 2. CONTESTS APPROVED BY PRINCIPAL.** No contest shall be arranged with another school without the sanction of the high school principal, superintendent, or athletic/activity director.

**SECTION 3. LOCAL RULES.** Local rules pertaining to eligibility of student players and performers in inter-school competition may be made and enforced by the local school officials, provided such rules are not inconsistent with the Constitution and Bylaws of the Association.

**SECTION 4. SCHOOL OFFICIALS AT CONTESTS.** The home school shall always have one or more faculty members present at an inter-school contest. The home school representatives shall be responsible for the conduct of their fans, treatment of visitors, including officials for the contest, while in the contest venue. Representatives of the visiting school should supervise the conduct of their fans at the contest venue.

**SECTION 5. NO CONTESTS WITH SUSPENDED OR EXPELLED SCHOOLS.** No contest shall be held by a member school with a school that has been expelled from the Association until or unless such school is reinstated. No contest shall be held by a member school with a school that has been suspended, for the duration of the suspension.

Suspension in one activity does not necessarily mean suspension in all activities. Competition may be forbidden with the suspended school in the various activity programs at the discretion of the Board of Directors.

**SECTION 6. CONTESTS WITH NON-MEMBER SCHOOLS.** No contest shall be held or scheduled with a school that is eligible to membership in this Association and which at the time is not a member, and no contest of any kind shall be scheduled or held with a non-member school without specific approval of each such contest from the Executive Director. In all such approved contests with non-member schools all Bylaws and rules of this Association shall apply.

**SECTION 7. NO SUNDAY CONTESTS.** There shall be no inter-school contests of any kind sponsored or participated in by member schools held on Sundays.

## **ARTICLE IX PROHIBITED ACTS AND PENALTIES**

**SECTION 1. RECRUITMENT PROHIBITED.** No school may become or continue to be a member school if it gives or awards scholarships, free tuition, free bus transportation, free school lunch, or any other inducements, directly or indirectly, to persuade a student to attend its school.

Nor shall any other undue influence be exerted by either school personnel or non-school individuals whereby an attempt is made to persuade or inspire a prospective student to attend a particular school for athletic purposes. Confirmation of any such undue influence shall cause the student to be rendered ineligible pursuant to the provisions set forth in Article VII, Section 3, Sub-section (g), page 10 of the Constitution.

**SECTION 2. SUSPENSION.** Violation of the Constitution, Bylaws, or any rule of the Association, whether the penalty is specified in connection with the statement of the Bylaw or rule or not, renders the violating member school liable to suspension from the Association for not to exceed one school year, by action of the Board of Directors. Suspension in one activity does not necessarily mean suspension in all activities.

**SECTION 3. EXPULSION.** A member high school may be expelled from the Association for willful or persistent violation of the Constitution or Bylaws of the Association by a two-thirds vote of the member high schools represented at a regular annual meeting. When so expelled, a high school cannot be reinstated as a member except by a two-thirds vote of the members represented at any subsequent regular annual meeting.

**SECTION 4. UNAPPROVED CONTESTS, MEETS, OR TOURNAMENTS.** A member school shall not sponsor nor enter a team or contestants in any contest, meet, or tournament that has not been sanctioned by the Board of Directors. Any member school that violates this regulation shall be liable to discipline, including reprimand, monetary fine, or temporary suspension, by the Board of Directors.

**SECTION 5. CANCELING ELIGIBILITY FOR CAUSE.** For violating a Bylaw or rule of the Association a student of a member school may be barred from all further inter-school competition as a representative of any member school. The Board of Directors, however, may reinstate a suspended student, for good reason, after one school year of suspension.

**SECTION 6. CHARGES AND INFORMAL DISPOSITIONS.** Charges against a student or a member school for alleged violation of the Constitution and Bylaws, or a rule of the Association shall be filed in writing with the Executive Director, who shall within five days from their receipt, submit copies to all members of the Board of Directors and to the allegedly offending student or school. Within ten days from the time of the receipt of such copy of the charges the accused student or school shall file a reply with the Executive Director who shall transmit copies of the reply promptly, along with any other pertinent data or evidence, to the Board of Directors.

Each Board of Directors member shall examine the case carefully and each shall send the Executive Director as promptly as possible his conclusion about the matter. The Executive Director shall determine from the replies from the Board members what the majority decision is and that shall be the decision of the Board of Directors as a whole and it shall be reported back to the school or schools concerned by the Executive Director.

**SECTION 7. HEARINGS.** The Board of Directors, however, shall, if a hearing is demanded in writing, or upon its own motion may, in any case it deems such procedure essential, call and conduct a hearing on an official complaint against a student or a school, giving due notice and sufficient time to the student and the school or schools concerned to prepare for such a hearing.

**SECTION 8. WITHHOLDING EVIDENCE.** It shall be considered contrary to good sportsmanship for a member school to withhold evidence against a player from another member school or against a member school by failing to present such evidence to the principal or superintendent of the school concerned or to the Executive Director of the Association, concerning apparent violation of the Association Bylaws or Rules.

## **ARTICLE X AMENDMENTS**

**SECTION 1. METHOD OF PROPOSING.** Amendments to this Constitution or any set of Bylaws hereinafter included may be proposed by the Board of Directors, or by member schools through presentation of a petition signed by the administrators of thirty or more member schools. Proposed amendments must be submitted in writing to the Executive Director thirty days or more prior to the Annual Meeting or Special Meeting in order to be considered at that meeting.

**SECTION 2. AMENDING PROPOSED AMENDMENTS.** Proposed amendments may themselves be amended by the majority vote of the member schools represented at a meeting considering amendments, provided such amendments to

proposed amendments do not tend to negate the amendment as originally proposed or to create what is essentially a new and different proposal. The Board of Directors shall have power in such a case to decide the issue.

**SECTION 3. VOTING ON AMENDMENTS.** All voting on amendments to this Constitution or these Bylaws shall be by referendum vote with all member schools given an opportunity to vote. Amendments presented at a meeting of the Association, as amended at the meeting if amended, shall be submitted by mail to the member schools within ten days following such meeting. The Board of Directors shall provide arguments for and against each proposed amendment to be included with the amendment when it is mailed to the member schools for voting thereon.

**SECTION 4. RETURNING BALLOTS ON AMENDMENTS.** The deadline for return of ballots shall be set by the Board of Directors and shall be no earlier than 30 days, and no later than 35 days, after the date of the Annual or Special Meeting of the Association. To be valid, ballots shall be presented to the Board of Education for official action, with such action to be attested to by the board chairman.

**SECTION 5. SIXTY PERCENT REQUIRED.** To repeal any provision or to become an amendment, a proposed repealer or amendment must be voted upon favorably by sixty percent of the members voting on it.

**SECTION 6. DATE AMENDMENTS BECOME EFFECTIVE.** All amendments passed by vote of Association members shall become effective on July 1 following their being passed.

**SECTION 7. AMENDMENT OF CONTEST REGULATIONS.** Contest or meet regulations for the various activity programs may be amended by proposal of the advisory committee for the particular activity involved, with approval by the Board of Directors. (See Art. VII, 5.) A majority vote of the fine arts and athletic advisory committees involved is required.

## **ARTICLE XI DISSOLUTION**

**SECTION 1. TERMINATION.** This Association and the agreement which is made in the form of a Constitution and Bylaws can only be terminated upon sixty percent vote of the total membership upon resolution of the Board of Directors upon the same notice to the membership and using the same voting procedure as set forth in Article X for amendments to the Constitution or Bylaws.

**SECTION 2. DISPOSITION OF PROPERTY.** Upon termination of this agreement the property of the Association shall be sold by the Board of Directors as soon as may conveniently be done at public or private sale. The proceeds of such sale after payment of all the Association's obligations shall be distributed equally among the then current members of the Association.

# BYLAWS OF THE SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION

## CHAPTER I - GENERAL PROVISIONS

### PART I - SCOPE OF BYLAWS

These Bylaws constitute the rules and regulations governing all approved interscholastic activity programs and the provisions of this chapter shall be applicable to all such activities except as may be otherwise provided as to certain specific programs.

### PART II - ADVISORY COMMITTEES

The Advisory Committees authorized by Article VII, Section 5, page 10 of the Constitution of this Association shall include, but shall not be limited to, advisory committees on girls' athletics, boys' athletics, athletic directors, speech, music, journalism, and student council activities. The Board of Directors shall fix the terms of the members to afford continuity and provide for such meetings of the committees as it deems necessary. It shall be the duty of each respective advisory committee to plan and recommend to the Board of Directors, for its approval, a program of activities for its assigned activity.

### PART III - SCHOOL PARTICIPATION

Any high school which is a member of this Association is eligible to participate in the activities sponsored by the Association.

### PART IV - STUDENT ELIGIBILITY FOR FINE ARTS AND ATHLETIC PARTICIPATION

#### SECTION 1. GENERAL REQUIREMENTS.

- A. **Age.** The student must be under 20 years of age at the time of participation. Age to be determined by birth **DATE**.
- B. **Enrollment.** The student must have enrolled not later than the sixteenth school day of the current semester.
- C. **Eight Semester/Twelve Trimester Rule.** A student shall be eligible for four first semesters and four second semesters OR twelve trimesters of interscholastic competition while enrolled in grades 9-12. For the purpose of this subsection, enrollment and attendance in school or participation in one or more contests shall count as a semester/trimester of eligibility. Once a student enrolls as a ninth grader, all semesters/trimesters must be consecutive unless waived as per Article VII, Section 3 (1), page 10 of the Constitution.

**NOTE:** Attendance Defined: If the student is used in the ADM count, full or partial day, they are considered to have attended school.

D. **Scholastic/Academic Eligibility Rule.**

1. **Preceding Semester/Trimester.** The student, unless they are entering high school for the first time, shall have successfully earned a minimum of two (2) units of credit which are used in the issuance of a diploma, for the preceding or for the most recent semester/trimester of attendance in any accredited high school. For the purposes of this subsection, enrollment and attendance in school or participation in one or more contests shall constitute a semester/trimester in determining eligibility. However, the Board of Directors or the Executive Director shall have the authority to waive the attendance rule when and if a student withdraws from school as a result of an injury or illness and does not return to any school for the remainder of the semester/trimester and the student does not receive any high school course credits.

**NOTE: Failure to earn two (2) units of credit the previous semester/trimester causes the student to become ineligible the entire following semester/trimester.**

**NOTE: Only credits accepted by the school for graduation may be used in determining whether a student successfully earned two (2) units of credit. Source: Minutes of the January 10-11, 2001 Board of Directors Meeting.**

2. **Current Semester/Trimester.** The student shall (a) be enrolled in an accredited high school and attend courses for which a minimum of two (2) units of credit may be earned towards the issuance of a diploma, (b) be receiving alternative instruction as set forth in **SDCL § 13-27-3** or (c) any student in grades ten, eleven, or twelve may apply to an institution of higher education or a postsecondary vocational education institution as a special student in a course or courses offered at the institution of higher education or postsecondary vocational education institution. Correspondence/college courses approved in advance by the high school principal for which credits earned are used in the issuance of a high school diploma may count towards the two (2) units of credit eligibility requirement. **(Refer to SDCL § 13-28-37)**
3. A student's grades which are dependent upon completion of a project such as a vocational education project after the close of the academic school year shall be determined by the grade averages of record assuming satisfactory completion of the project.
4. **Credit recovery.** Students who have been declared ineligible because of academic deficiencies from the previous semester/trimester may earn scholastic/academic eligibility by taking an academic course(s) via the options

approved by the SD Department of Education. Examples include, but not limited to, on-line courses, in-district credit recovery courses, alternative education settings, digital courses, etc. The principal must monitor the successful completion of the course(s) and reinstate eligibility only after the successful completion of 2 units of credit as per Chapter I, Part IV, Section 1, Subsection D., page 14 of the Bylaws.

5. **Beginning and ending of a Semester/Trimester.** For the purpose of this subsection, the first semester shall be considered as ending on midnight on the day before the second semester begins and the second semester shall be considered as starting on the first day classes are held in said semester. The first trimester shall be considered as ending on midnight on the day before the second trimester begins. The second trimester shall be considered as ending on midnight on the day before the third trimester begins. The actual ending of the first/second semester or second/third trimester or school year, rather than the date of graduation exercises or diploma date, controls the determination when eligibility terminates.

**NOTE: Eligibility is extended to all students:**

- **Who choose to graduate at the conclusion of the first semester/first or second trimester until the first day of classes of the second semester/second or third trimester.**
- **Including those graduating students whenever a sub-state/state event is held after the school year has been completed at the local level.**

**SECTION 2. GRADES OF TRANSFERRED STUDENT.** In the case of a student just transferred from another school the scholastic record from the former school shall be used for determining eligibility. The student shall not participate in any interscholastic contests until the official transcript of grades is received from the former school and academic eligibility is verified. **See also Section F, page 16**

**SECTION 3. SEVENTH AND EIGHTH GRADE CONTESTANTS.** Member schools may use seventh and eighth grade students on high school teams for high school contests provided they meet scholastic standards fully equivalent to those required for students in grades 9-12 by the Association.

**SECTION 4. POST GRADUATE PARTICIPATION.** Notwithstanding Section 1 of this chapter, high school graduates may be permitted to participate in inter-school meets or tournaments sponsored by the Association during summer months immediately following such graduation, unless the Board of Directors rules otherwise in the case of any such tournament or meet.

**SECTION 5. LAPSE OF ATTENDANCE.** Eligibility for the remainder of the semester ceases when:

- A. school attendance has lapsed for more than ten (10) consecutive school days in a SDHSAA member school which operates a five (5) day week, or
- B. when school attendance has lapsed for more than eight (8) consecutive school days in a SDHSAA member school which operates a four (4) day week

The exception to the Lapse of Attendance Policy as stated above would be in the case of student illness or in the case of death in the immediate family that forces the student to be absent from school.

**SECTION 6. ELIGIBILITY AFTER ABSENCE.** Students forced to leave school for personal illness or because of a death in the immediate family can be eligible upon return to school when they (1) have been fulfilling the scholastic requirements for eligibility at the time of leaving school, (2) file with the Executive Director an affidavit from the attending physician certifying that the illness was of such a nature as to prevent school attendance during any and all of the absence period, and (3) have made up the school work at least to the extent of having secured passing marks in four full courses including the parts of such courses missed during the absence.

## **PART V - PROTESTS - REVIEW OF DECISIONS**

**SECTION 1. DECISIONS OF THE JUDGES FINAL.** Judges' decisions in any contest are by their nature necessarily regarded as final and shall not be considered as the basis for protest.

**SECTION 2. BASIS AND PROCEDURE FOR PROTEST.** Protests based upon a challenge to the interpretation given to a contest regulation or administrative ruling thereon must be submitted in writing within 24 hours after the contest, to the chairman of the district or region committees. The committee shall render its decision promptly to the Executive Director of the Association, and shall notify the protester, by telephone, to be followed by a written notice of its decision sent by first class mail to the protester. An appeal from the decision of the district or regional committee shall go directly to the Board of Directors. The decision of the Board of Directors shall be final. The appeal must state the decision of the district or region committee and the basis for the request to overrule that decision.

Any protest lodged prior to a district or region tournament or meet pertaining to the athletic eligibility status of a student, contest regulation or administrative ruling must be submitted to the district or region committee at least ten days prior to the event. The district or region committee shall render its decision promptly. An appeal from the decision of the district or region committee shall go directly to the Board of Directors. The decision of the Board of Directors will be final.

In cases where the protest is lodged less than ten days prior to a district or region tourney or meet, any appeal of a district or region committee decision shall go directly to the Executive Director. The decision of the Executive Director shall be final.

# CHAPTER II - BYLAWS FOR ATHLETICS

## PART I

### FURTHER ELIGIBILITY REQUIREMENTS FOR ATHLETIC CONTESTS

**SECTION 1. CHANGE OF SCHOOLS EFFECT ON ELIGIBILITY.** Freshmen enrolling in high school for the first time are eligible at any high school of their choice regardless of where their parents or legal guardians might live. Whenever a student transfers from one high school and/or attendance center to another, eligibility for athletic competition is affected, or not affected, according to the following regulations:

- A. To be eligible at the beginning of a semester for participating in interscholastic athletics of the SDHSAA, a transfer student must be enrolled at the beginning of the semester. For students not enrolled at the beginning of the semester:
- Transfer students enrolled in a SDHSAA member school which operates a five (5) day week shall become eligible on the eleventh scheduled day of school provided all other SDHSAA regulations are met.
  - Transfer students enrolled in a SDHSAA member school which operates a four (4) day week shall become eligible on the ninth scheduled day of school provided all other SDHSAA regulations are met.

The first day of attendance is the first day included in the count to determine the ninth and eleventh day. However, if a student participates in one or more SDHSAA tournaments or play-off games at the sub-state level at the school previously attended, said student would be ineligible at the new school in that sport even though the parents move.

- B. If the parents of a student move to the district of a different high school, a student's eligibility is not affected by a transfer to that high school. When two or more public high schools are operated within the same district, the attendance boundaries set up by the board of education of the district shall be considered the boundaries of the public schools within the district for the application of this rule. Students shall be eligible at the first school they choose to enroll in following a bona-fide move. All eligibility rules, age, enrollment, eight semester rule, and scholastic/academic eligibility rules shall apply.
- C. The eligibility of a student remaining in a school district is not affected when his/her parents move to another district.
- D. The eligibility of a student is not affected by a transfer from a non-accredited to an accredited high school.
- E. A student cannot transfer from:
1. a high school in another state to a high school in this state, or
  2. a member school to another member school, or
  3. a non-member school to member school

and be eligible for athletic/fine arts participation if he/she were not eligible due to personal conduct violations (i.e. training rule violations, code of conduct violations, activities violations, etc.) for such participation in the state/member school from which he/she transferred. This provision also includes those students who transfer under sub-section (m)---open enrollment students.

A student who would be ineligible at their previous school may not become eligible for competition at any level by transferring. The school at which the ineligibility occurred determines the period of ineligibility. A transfer at the beginning of a school year does not decrease or eliminate the period of ineligibility.

A transfer student will be eligible for athletic and fine arts participation provided he/she meets the eligibility requirements as set forth by Part IV, Student Eligibility For Fine Arts and Athletic Participation, Section 1 of the Bylaws of the SDHSAA and has completed any suspension for activities violations from the school they are transferring from.

**NOTE: As these are student penalties and not penalties against the school, the penalty follows the student. A change in schools does not erase the violation or the penalty for the violation.**

- F. A student transferring from one high school to another must have the school (s)he leaves file a transcript of credits with the principal of the school to which (s)he is transferring. This transcript must contain his/her complete high school attendance and scholastic record and must be certified by the principal of the school (s)he is leaving. Until such a transcript is filed the student is ineligible. **See also Section 2, page 15**
- G. Any student who changes high schools without a corresponding, bona fide change in the physical residence of the parents shall not be eligible for athletic competition in the high school to which (s)he transferred for a period of one year. A student who transfers to a new school in advance of the parents move will become eligible the day the parents complete a bona fide change in the physical residence into the new district, providing all other Association requirements have been met. **Revised 2008**

#### **EXCEPTIONS:**

1. Those students transferring under the athletic open enrollment provisions of Chapter II, Part I, Section 1, sub-section (M) of the Bylaws, or
2. Those students enrolled in an approved CSIET (Council on Standards for International Educational Travel) exchange program.

A student who participated in athletic competition under the CSIET exemption, returning for a second year and not living with their parent(s), will be treated as a transfer student. These students may be declared eligible for athletics as per the transfer and residency rules stated in the SDHSAA Constitution and Bylaws. Like all students, the transfer and residency rules do not apply to those students involved in fine arts and activities. **See page 5 of the Eligibility Section of the Athletic Handbook.**

**NOTE:** This provision also applies to any student who transfers because he/she has been declared emancipated.

**NOTE:** In order to be determined “bona-fide”, the following minimum conditions must be met:

1. The original residence must be abandoned as a residence; that is sold, rented or disposed of as a residence, and must not be used as a residence by any member of the family.
2. The entire family, including minor siblings, must make the change and take with them the household goods and furniture appropriate to the circumstances.
3. The change must be made with the intent that it be permanent.
4. The entire family must physically reside at the residence for the duration of the student’s enrollment.
5. In school districts with multiple high schools; if the parents/legal guardians and the student move back, within one year, to the residence in the school district from whence they moved, the student will be eligible only at the high school which the student attended prior to any change of residence. **Revised 2008**

**NOTE:** Students shall be eligible at the first school they choose to enroll in following a bona-fide move. All eligibility rules, age, enrollment, eight semester rule, and scholastic/academic eligibility rules shall apply.

- H. **GUARDIANSHIP.** A student who transfers under guardianship from a school out-of-state or from one high school to another within the state, shall become eligible for interscholastic athletics provided the following criteria is met:
1. There is a legal transfer of guardianship.
  2. The named guardian resides in the school district.
  3. The court has ruled that the parents are not competent to care for the student.
  4. There has been a judicial termination of parental rights.
- I. As far as residence is concerned, a student is considered eligible at a high school in a district in which the student’s parents reside, with one exception. **The exception:** When a student transfers from one accredited high school to another accredited high school in the same district the student shall not be eligible for athletic competition for a period of one year without a move of the parents to the corresponding attendance area. Should the parents currently reside in the corresponding attendance area, the student would gain their athletic eligibility through athletic open enrollment. **NOTE:** This regulation does not apply to students who transfer pursuant to the provisions set forth in sub-section (N).
- J. The eligibility of a student is not affected by a transfer from a school that closes. A student living in a district that does not support and maintain a high school may be declared eligible at a high school that regularly serves that district to which the student commutes daily.
- K. **DUAL RESIDENCE** Under no circumstances can a student have more than one residence for eligibility purposes. In cases where parents establish dual residency, a student’s eligibility shall be at the first school enrolled at the onset of the 9<sup>th</sup> grade year.
- L. **DIVORCED – SEPARATED PARENTS:** In cases of legal divorce, court ordered legal separation, or court ordered separate maintenance pending a legal divorce or court ordered placement, the student shall be eligible at:
1. The school that is located in the district where the residency exists of the parent with court ordered legal custody of the student.
  2. In the event of joint custody, the student shall be eligible at the school that is located in the district where the residency exists of the parent with court ordered physical custody of the student or court ordered placement of the student.
  3. If neither parent has court ordered legal or physical custody of the student, “parent” means the person with legal or permanent custody or the person or entity the student is placed with by the government agency with legal or permanent custody.
  4. If no person or government agency has court ordered legal custody, “parent” shall mean the first parent the student chooses to live with after the legal divorce, court ordered legal separation or court ordered separate maintenance pending a legal divorce. **Revised 2008**
- M. **OUT-OF-STATE TUITION STUDENTS.** Students who transfer from an adjacent state whose school district has a common border with a South Dakota school district, pursuant to the provisions set forth in SDCL 13-36-7, for whom tuition is paid by either the student’s home school district or state, shall be eligible for interscholastic athletics even though there is no corresponding move by the student’s parents or legal guardian. In such cases, eligibility is applicable to the initial transfer only. Any subsequent transfer shall render the student ineligible for one year.
- N. **TRANSFER OF ATHLETIC ELIGIBILITY FOR SDHSAA OPEN ENROLLMENT STUDENTS.** Any student who transfers from a member high school to another member high school shall be eligible to participate in interscholastic athletics provided such student has met the standards for SDHSAA athletic open enrollment as defined in the following paragraph:

1. **SDHSAA athletic open enrollment students transferring from one high school to another must have the school (s)he leaves file a transcript of credits with the principal of the school to which (s)he is transferring. Until such transcript is filed the student is ineligible.**  
**In order for SDHSAA athletic open enrollment students to be eligible immediately for participation in interscholastic athletics of the SDHSAA, the student must have been enrolled on the first day of the school year at the school they are open enrolling to. Member schools must have the necessary athletic open enrollment papers filed with the SDHSAA office prior to allowing athletic open enrollment students the opportunity to play. Until such athletic open enrollment paperwork is filed, the student is ineligible.**  
**For students not enrolled on the first day of the school year at the school they are open enrolling to:**
2. **SDHSAA athletic open enrollment students enrolled in a SDHSAA member school which operates a five (5) day week shall become eligible on the forty-sixth (46th) scheduled day of school provided all other SDHSAA regulations are met. Member schools must have the necessary athletic open enrollment papers filed with the SDHSAA office prior to allowing athletic open enrollment students the opportunity to play. Until such athletic open enrollment paperwork is filed, the student is ineligible.**
3. **SDHSAA athletic open enrollment students enrolled in an SDHSAA member school which operates a four (4) day week shall become eligible on the thirty-seventh (37th) scheduled day of school provided all other SDHSAA regulations are met. Revised 2005 Member schools must have the necessary athletic open enrollment papers filed with the SDHSAA office prior to allowing athletic open enrollment students the opportunity to play. Until such athletic open enrollment paperwork is filed, the student is ineligible.**
4. In addition, all such students must meet all other eligibility requirements.
5. For purposes of this Bylaw “standards for open enrollment” shall mean such standards authorized by a public school board as required by SDCL §13-28-40 through and including SDCL §13-28-47. In the case of a non-public school, such comparable standards and time-lines, as set forth in SDCL §13-28-40 through and including SDCL §13-28-47 would be applicable to such school.
6. In such cases, eligibility is applicable to the initial SDHSAA athletic open enrollment transfer only. Any subsequent SDHSAA athletic open enrollment transfer to another high school shall render the student ineligible for one year with one exception.

**The exception:** In the event a student returns to:

- 1) his/her former school; or
- 2) where his/her parents reside,

the student will not be eligible until the beginning of the following school year.

**NOTE: The open enrollment statutes SDCL §13-28-40 through §13-18-47 do not change the Bylaws of the SDHSAA. Thus Chapter II, Part I, Section 1, Sub-Sections (a) and (f) apply to sports eligibility for all open enrollment students.**

- **Once enrolled in a nonresident district or non-assigned school, the student may remain enrolled and is not required to resubmit annual applications.**
- **Students who open enroll from one school in a cooperative to the other school(s) in the same cooperative will not have to sit out the 45/36 school day waiting period providing all school (s) in the cooperative coop in all athletic activities in the same gender. Minutes-November 25, 2002**

**NOTE: See State Statutes section of Athletic Handbook for Open Enrollment Options between North Dakota and Minnesota.**

- O. Any student granted eligibility pursuant to Article VII, Section 3, sub-section (j), page 10 (waiver of the transfer rule due to hardship) would not be eligible until the beginning of the following school year should the student return to his/her school or where his/her parents/guardians reside.

**SECTION 2. PARENTS’ CONSENT.** Each school year each candidate for membership for any high school athletic team for interschool athletics shall have on file with the high school principal the written consent of the parents for athletic participation.

**SECTION 3. HEALTH STATEMENT.** Every student, before being allowed to participate in interscholastic athletics, must have passed a physical examination of a duration no longer than triennial. A pre-participation Interval Health History report must be completed annually.

Certification as to the adequacy of a student’s health for athletic participation shall be restricted to a duly licensed doctor of medicine, doctor of osteopathy, doctor of chiropractic, physician’s assistant or nurse practitioner, on official blanks furnished by the Executive Director/member school. The date of such required health certification shall be one of the entries on the annual report of student athletic participation made to the Executive Director by each member school.

**SECTION 4. STUDENT’S OWN NAME.** To be eligible a student must have always participated under his/her own name in all his/her athletic competition.

**SECTION 5. HIGHER INSTITUTION PARTICIPATION.** No student who has ever participated in athletics in any institution of learning of higher rank than standard secondary schools shall be eligible for athletic competition in a member school of this Association. **NOTE:** “High school seniors who have completed their high school eligibility in a

sport may participate in try-outs held on a college campus in that sport without jeopardizing remaining eligibility in other high school sports.”

**SECTION 6. AMATEUR STANDING.** A student shall be a true amateur in all recognized sports of this Association in order to compete in any sport so recognized. A student is governed by the amateur eligibility rules of that sport.

A student may be declared ineligible if he/she:

- A. Accepts cash, merchandise, compensation or illegal awards when competing in a sport sponsored by the Association beyond the monetary limits set in the SDHSAA Athletic Handbook.
- B. Enters into an agreement or contract to compete in professional sports.
- C. Received remuneration for coaching any SDHSAA approved sport during the season of the sport in his/her school.
- D. Received remuneration for the use of name, picture and/or personal appearance as an athlete in the promotion of a commercial or profit making event.

Amateur eligibility status is not affected under the following:

- A. If a student receives a stipend/fee for officiating a sport recognized by the SDHSAA.
- B. If his/her name or picture, or a team picture appears on a commercial profit making venture as long as the athlete receives no remuneration of any kind.
- C. If a student accepts an athletic scholarship to any institution of higher learning.

Should a student lose his/her amateur standing; he/she may be reinstated by the Board of Directors after the lapse of one year.

**SECTION 7. NON-SCHOOL TEAM/INDIVIDUAL PARTICIPATION.** A student who is a member of a high school team may not participate in that particular sport during the “in-season” time period on an independent or non-high school team or as a member of any “All-Star” team, or completely unattached on an individual basis.

(Approved Interpretation: Revised 2015) Violation of the above-listed team-membership rule, or any other action by a student wherein their team membership ceases causes the student to become subject to the following penalty structure:

- a. First Violation – violating athletes will be suspended for 25% of that season’s regularly scheduled varsity contests
- b. Second Violation – violating athletes will be suspended for the duration of that sport’s season
- c. The 25% figure as noted in the first violation would include suspensions and forfeitures as follows:
  - i. If the violation is discovered before any contests have been completed, the student simply is suspended for the next one-quarter of that season’s regularly-scheduled varsity-level contests (or time duration of such contests), to include post-season games if necessary to fulfill the one-quarter season length requirement.
  - ii. If the violation is discovered after contests have been played with an athlete who was ineligible due to violation, those contests played from date when the violation occurred through the date of discovery shall be forfeited.
  - iii. If season is concluded when an in-season violation is discovered, the final one-quarter of contests of that completed season will be forfeited.

**SECTION 8. INTERSTATE COMPETITION.** A student participating in a contest against a team from a school in another state, whether the contest is held in South Dakota or not, must be eligible under the Constitution and Bylaws of the SDHSAA, in addition to any other requirements in the way of eligibility that the contest may involve. In interstate high school athletic contests involving teams from member schools of this Association, however, the rules of the National Federation of State High School Associations shall have precedence over the Constitution and Bylaws of the SDHSAA.

**SECTION 9. STUDENT/COACH EJECTION FROM A CONTEST.** Any student or coach ejected from an interscholastic contest by game officials will be ineligible for the next regularly scheduled contest at that level of competition and all other contests in the interim at any level of competition.

A second ejection that occurs during the same sport season shall cause that coach or athlete to be ineligible for the next four regularly scheduled contests at that level of competition and all other contests in the interim at any level of competition.

A third ejection that occurs during the same sport season shall cause that coach or athlete to be ineligible for all contests for the remainder of that specific sport season at all levels of competition. **Adopted 5-27-14**

If penalties are imposed at the end of a sport season and no contests remain, the penalty is carried over to the next school year to be served in that particular sport. If the ejected individual is in his or her senior year, the penalty shall instead carry over to their next season of competition.

**Student:** Anytime a student-athlete is ejected from a contest, he/she is not allowed to participate for the remainder of that day. The student is also suspended from the next scheduled, rescheduled, or contracted date at that level of competition and all games/meets in the interim at other levels of competition. If the ejection occurs during the last regular season contest at the sub-varsity level, the student is suspended from all competition that day plus the next regular season contest at the varsity level or the first post-season contest, which ever occurs first.

**NOTE: A suspended player may travel with the team, be in the locker room, sit on the sidelines, etc.; but may not be in uniform during the suspension.**

**Appeal:** A student may appeal his/her disqualification to the SDHSAA if it can be verified that his/her actions did not contribute to the disqualification. A complete report must be sent to the Association for review. The decision of the Board of Directors, or its designee, shall be final.

When an ineligible athlete is allowed to participate in violation of this Bylaw, forfeiture of the contest is mandatory.

**NOTE: In cases where an appeal has been requested by a student, the clause “his/her actions did not contribute to the disqualification” applies only to a student-athlete who was wrongfully ejected due to the recording of an incorrect number by the officials. Source: Minutes of the November 9, 1996 Board of Directors Meeting.**

**NOTE: If a change in schools occurs prior to the student or coach sitting out the one game suspension, it is expected that the new school will enforce the one-game suspension even in cases when said move does not occur until the next school year. Source: Minutes of the January 10-11, 2001 Board of Directors Minutes.**

**Coach:** Anytime a coach is ejected from a contest, he/she is not allowed to coach for the remainder of that day. The coach is also suspended from the next scheduled, rescheduled or contracted date the level of competition in which the ejection occurred, as well as all contests in the interim at any level of competition. If the ejection occurs during the last regular season contest at the sub-varsity level, the coach is suspended from all competition that day plus the next regular season contest at the varsity level or the first post-season contest, whichever ever occurs first. **NOTE: Suspended coaches may not travel with the team or be at the venue during any contest(s) while under suspension.**

**Appeal:** A coach may appeal the penalty only when he/she is disqualified as a result of indirect unsportsmanlike conduct penalties being assessed and his/her actions did not contribute to the disqualification. The appeal will be heard by the SDHSAA. A complete report must be sent to the Association for review. The decision of the Board of Directors, or its designee, shall be final.

When an ineligible coach is allowed to participate in violation of this bylaw, forfeiture of the contest is mandatory.

**SECTION 10. TERMINATION OF A CONTEST.** If the head coach is ejected from the contest and an assistant coach or school administrator is not available to assume the coaching duties, the contest is terminated and forfeited to the opponent.

**SECTION 11. CONTEST SUSPENDED BY OFFICIALS.** When a contest ends prematurely because of unsportsmanlike conduct or behavior and the on-site officials award the game on the basis of the score or on the basis of forfeiture, one or both schools may be subjected to any, but not limited to, the following as determined by the Board of Directors: monetary fine, written censure, forfeiture, probation with competition, suspension.

## **PART II REGULATIONS GOVERNING LOCAL ADMINISTRATION OF ATHLETICS**

**SECTION 1. LICENSED OFFICIALS MANDATORY.** No official shall be eligible to officiate in any SDHSAA inter-school varsity contests unless (s)he has met the licensing standards as established by the SDHSAA Board of Directors.

**SECTION 3. MANDATED TEAM PRACTICE.** No member school shall participate in an athletic contest, in any sport, unless the team has had two full weeks of practice. This regulation does not apply to individuals.

In the sports of fall golf and fall tennis member schools may commence interscholastic competition with one full week of practice. This regulation does not apply to individuals.

**NOTE:** Two full weeks of practice is interpreted to mean ten practice days counting Monday through Saturday prior to the first contest. One full week of practice is interpreted to mean five practice days counting Monday through Friday prior to the first contest.

**SECTION 4. On or before June 30 of each year each member shall submit to the Executive Director on blanks provided by him a complete report of the athletic participation of all students for the year. Failure to comply with this regulation suspends membership, and reinstatement requires the filing of the required report. Athletic contests with a school that had its membership suspended under this Bylaw are forbidden unless and until reinstatement is effected.

**SECTION 5. AWARDS.** The Board of Directors shall annually set the monetary value of awards which may be accepted by the athletes of member schools. A member school shall not give awards for athletic participation of any kind that have a value more than the amount set by the Board of Directors. Any student who accepts an award from any source for athletic participation that has a value of more than the amount set by the board, except in the case of medals or other awards given or approved by the Association in connection with tournaments, meets, and other athletic contests, shall be ineligible for any further participation in athletic contests under the jurisdiction of this Association. This Bylaw has no bearing on sweaters or jewelry or other athletic trophies that may be purchased by the athlete's parents or bought by the student with money earned by the student.

The Board of Directors may waive the awards rule for non-school athletic events held during the summer months after school closes in the spring and before school opens in the fall. A student is restricted by the closing and opening dates of the school which the student attends.

**SECTION 6. ANNUAL ELIGIBILITY REPORT.** Prior to the start of any sport or fine arts activity, the high school principal or his/her designee shall verify to the coaching staff in each sport respectively and to the director of each fine arts activity respectively, that the students participating in those activities meet all the eligibility requirements set forth in Chapter I, Part IV, page 14, and Chapter II, Part I, page 16, of the Bylaws.

In the event an ineligible student is allowed to participate in an interscholastic contest, forfeiture will be automatic. Additionally, the Board of Directors shall determine other penalties as deemed appropriate.

On or before May 1, each high school principal or his/her designee shall submit to the Executive Director the Annual Athletic Eligibility Report Form listing the names and other pertinent data of all students who participated in interscholastic athletics for the school year just completed.

On or before May 1, each high school principal or his/her designee shall submit to the Executive Director the Annual Fine Arts Eligibility Report Form listing the names and other pertinent data of all students who participated in interscholastic fine arts activities for the school year just completed.

In the event a student becomes ineligible at any time during the school year, it shall be the duty of the high school principal or his/her designee to so inform the athletic coach or fine arts director at which time the student will be immediately withdrawn from all interscholastic competition.

**SECTION 7. NO WAIVING OF BYLAWS OR RULES.** None of the Bylaws or rules of this Association shall be waived by mutual agreement, or otherwise, for athletic contests between member schools or between a member school and a non-member school.

**SECTION 8. EXPENSES FOR A VISITING TEAM.** The amount of reimbursement to a visiting team shall be arranged between the officials of the schools concerned but must be decided upon in advance and made a part of the contract for the game or contest.

**SECTION 9. NO UNIFORM ON NON-ELIGIBLES.** In the vicinity of an athletic contest in which any member of this Association is participating, no ineligible student of a member school shall be permitted to wear an athletic uniform for the sport involved.

**NOTE:** It is a violation of this Bylaw whenever an ineligible player suits up for a contest regardless if the athlete does or does not play.

**SECTION 10. BYLAWS AND RULES APPLY TO ALL ATHLETIC CONTESTS.** The Bylaws and rules of this Association shall apply to all inter-school athletic contests of any and every kind sponsored or participated in by member schools.

**SECTION 11. CANCELING CONTESTS.** No school shall fail to have its team play or participate in a scheduled athletic game or contest without full agreement of the other school concerned or without, in case of failure in mutual agreement, getting the approval of the Executive Director for the cancellation. Except for bad weather or other emergency cause for a request for cancellation of a contest from the Executive Director such request shall be made at least one week in advance. Violation of this Bylaw forfeits the game or contest for the violating school and that school may be barred, by Board of Directors action, from athletic participation in the Association for one year.

### **PART III RULES AND PROVISIONS FOR TOURNAMENTS AND MEETS**

**SECTION 1. SANCTIONED MEETS.** Sanction for all athletic and fine arts meets or tournaments involving non-member schools or out-of-state schools must be approved by the Executive Director, or his/her designee, of the SDHSAA.

For all out-of-state athletic and fine arts activities, the SDHSAA shall follow the standards and procedures as established by the National Federation of State High School Associations and the SDHSAA Board of Directors.

**SECTION 2. ELIMINATION TOURNAMENTS AND MEETS.** The Board of Directors shall have jurisdiction over all Association district and region tournaments and meets and shall divide the state appropriately for such tournaments and meets. **SECTION 3. DELEGATED MANAGEMENT OF TOURNAMENTS AND MEETS.** The Board of Directors shall delegate the immediate management of district and region tournaments and meets to committees of school officials from the schools concerned with each; and shall give such committees power to handle all details connected with each; provided the tournament or meet in each case shall be operated in accordance with these Bylaws and rules.

**SECTION 4. BASIC PLANS FOR CONTESTS LEADING TO STATE CHAMPIONSHIPS.** The basic plans for dividing the schools into more than one class and providing tournaments and meets leading to state championships shall be determined by the association and may be amended by the same methods as used in amending other Bylaws. The basic plans shall be published by the Board of Directors and sent to all member schools. These shall include, in addition to the details of the basic plans, the supplementary rules and regulations of the Board of Directors for implementing the basic plans.

When dividing the membership into classes for the purpose of competition, the Board of Directors shall use Average Daily Membership figures based upon the ADM in grades 9, 10 and 11. A copy of the enrollment data will be received from the Department of Education by the Executive Director of the South Dakota High School Activities Association on the first Friday in December of each reclassification/alignment year. Reclassification and alignments for all sports and fine arts activities shall be done at the same time so that the two-year periods are concurrent for all activities.

In the years of reclassification the Executive Director will receive the ADM's on the first Friday in December and formulate plans of alignments and disseminate to the membership on or before the 15<sup>th</sup> day of February to receive input into the staff alignment plans. The Board of Directors will make its final decision at the regular meeting held in February/March. For activities in which there is no basic plan included in these Bylaws, the Board of Directors shall have authority to set up classifications and make assignment of schools to districts, sections or regions as it deems necessary.

**SECTION 5. STATE TOURNAMENTS AND MEETS.** The Board of Directors and the Executive Director shall have immediate charge and control of all state tournaments and meets of the association and shall place in the treasury of the association the receipts there from and shall pay from the treasury of the association the necessary expenses involved.

**SECTION 6. TEAMS NOT TO BE WITHDRAWN.** Any member school that has a team qualified to enter an association tournament, or which has entered such a tournament, to which tournament team expenses are paid from the receipts, cannot withdraw such team from the tournament, except for causes beyond the school's control. The penalty for violation of this Bylaw shall be expulsion from the Association.

**SECTION 7. TOURNAMENTS AND MEETS INVOLVING NON-MEMBERS.** Member schools may sponsor dual contests, tournaments and meets; and eligible students from member schools may participate in said dual contests, tournaments and meets in which there are participating pupils from non-member schools provided said duals, tournaments or meets are approved in advance by the Executive Director.

**SECTION 8. PARTICIPATING SCHOOL RESPONSIBILITY.** Member schools shall use all reasonable precaution to insure proper conduct on the part of all respective students attending tournaments and shall assume definite responsibility toward the conduct of such students both at large and individually.
