- NOTE:** This policy is applicable to football, volleyball, and basketball.

## **DAMAGE TO BLEACHERS AT A STATE EVENT**

Damage to bleachers can be caused when the entire student body jumps up and down in unison on the bleachers. The SDHSAA cannot condone or overlook behavior that causes physical damage to a rented venue.

Therefore, the SDHSAA suggests the following:

- Member schools should prohibit this type of behavior from occurring at all regular season basketball games
- District and region committees should prohibit this type of behavior from occurring at all district and region basketball tournaments.
- All member schools that qualify a basketball team to the state tournament should make an announcement at a pep assembly informing the student body that this type of behavior is prohibited by the SDHSAA.
- All member schools should solicit the support and leadership of the cheerleaders to stop this behavior.
- Administrators from each of the participating schools should position themselves in close proximity to the student cheering section so they can immediately assist management to stop the jumping if and when it occurs.
