

OPENING CEREMONY FLAG CARRIER

The cheerleaders from the qualifying schools at the State Basketball Tournament will be asked to participate in the opening ceremony activities for the championship session on Saturday evening.

Each school is asked to provide one person to represent the school during the “Opening Ceremony by carrying the school’s flag onto the floor during the opening ceremony.

The flag carrier for each school can be anyone the school designates (student leader, basketball player, cheer/yell leader). These students should not be committed to any other function that is part of the “Opening Ceremony” (i.e. not be cheer/yell leader expected to lead the school chant). NOTE: Schools may choose to have an adult represent the school.

Please remember that this person is representing the school and should dress appropriately (at least dress to the same standards as are expected for the students receiving awards). Selecting this person prior to the tournament will allow them to bring appropriate clothes with them to the tournament.

The “Opening Ceremony” practice is scheduled at 8:30 a.m. at the site of the tournament.

Schools should complete the following form and return by email to jeaneen.bingner@sdhsaa.com or fax to 224-9262.

Deadline for the girls’ tournaments is Tuesday, March 9, and for the boys’ tournaments Tuesday, March 16.
