

State Tournament Seating In Watertown

Seating for all matches except for the championship matches will be balcony seating only.

With only two matches being played at a time, each competing team's fans now have an additional section plus some overflow seating to the center in the upper balcony seating area of the Watertown Civic Arena. With the additional seats, it's now possible to designate one of the sections or areas for your student body. Many times students like to stand during the volleyball matches. This has always been prohibited because of blocking the view of the adult fans.

If a qualifying school would like to designate an area for their students, **THE SCHOOL ADMINISTRATION MUST BE IN CHARGE OF STUDENT SEATING.** Watertown will not be monitoring specific areas, however, with the increased seating capacity, **schools may wish to designate an area for student seating. If your student body prefers to stand, then designating an area for them will allow this.** Again, this is a local decision.

The championship matches will have court side seating.

School Administrator Contact

The SDHSAA required that each team at the state tournament have a school administrator in attendance at the tournament during the times their team is playing. The Association must know the name of this individual.

Please complete the form found on the SDHSAA website following this item and return it to the SDHSAA by fax (224-9262) or scan and return by email to jeaneen.bingner@sdhsaa.com.
