Match Volleyballs: All competition volleyballs will be provided. The Baden #15-0, leather volleyball will be used for all matches.

12. **OFFICIAL SQUAD:**

- Your roster is the **on-line form** on the SDHSAA website.
- A team's state roster is the same as the region roster.
- The roster may include as many names on it as a school wishes, but a school may only dress 16 for a contest.

Only 16 players can sit on the team bench dressed in a school issued uniform for any one match during the tournament. These 16 can change each match if necessary. Other non-playing team members sitting on the bench must be in street attire or non playing outfits.

13. **SUBSTITUTIONS:** The original entry list into the region tournament allows a team to include as many players' names on its officials roster as it wishes. The same roster applies to the state tournament. If a school needs to draw upon a substitute during the tournament whose name was not on the original roster, it may do so as long as the substitute's name appears on a Master Eligibility List filed in the SDHSAA office and is eligible under the Constitution and By-Laws of the SDHSAA.

14. **LIBERO PLAYER TRACKER:** The tournament host site will supply match trackers.

15. **PLAYER BENCH:** The player bench may be occupied only by eligible students, coaches, assistant coaches, student managers, bona-fide statisticians and bona-fide trainer. Team bench designation shall be determined by the home team. (At state, home team is listed on top of the bracket.)

16. **UNIFORMS/LIBERO:** All uniforms must conform to the National Federation Volleyball Rule Book. Uniforms will not be measured unless the numbers appear noticeably too low. (Either an upper shoulder number or a center front number.) Reminder: Uniforms are to be worn as the manufacturer designed them.

It is the responsibility of each coach to be certain that players are in proper uniforms. This means uniforms must meet all uniform specifications. Coaches must specifically check their libero

uniform. The libero must wear a uniform top that is immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team. The primary color of the libero's uniform top must be different from any color that appears on more than 25 percent of the body of teammates' uniform top. THE EXTENSIVE SIDE PANEL IN MATCHING TEAM COLOR WOULD NOT BE A UNIFORM TOP IMMEDIATELY IN CONTRAST FROM ALL ANGLES TO THE TEAMMATES. Thus, it would not be a legal libero uniform top.

17. **LOCKERS ROOMS:** Locker rooms will be provided for each team. Assignments will be posted.
18. **TOWELS:** No towels will be supplied. Schools should bring their own.
19. **SEATING:** Student seating will be designated on the courtside bleachers on the south side behind the team benches. All adult fans will be seated in the permanent seats on the north side. (Note: Students will be allowed to stand during the matches.)
20. **HOME TEAM:** The upper team in each bracket will be designated as the home team. The home team selects the team bench/side of court.
21. **TRAINER:** A trainer will be available courtside.
22. **SUPERVISION OF TEAMS:** Each participating school is responsible for the conduct of its team in the motels and at the tournament site.
23. **VIDEO TAPING POLICY:** All video taping must be done from the designated video taping stands located on the upper level behind either baseline seating area. Camera person can not block the view of spectators while video taping. Outlets are available.

The following 3 points were taken from the SDHSAA video taping policy as printed in the General Section of the Handbook (page 13). For the complete policy, refer to the SDHSAA Handbook.

The R1 and R2 are closest to the platform.
