Out-Of-State Sanctioned Speech Events

Before a SDHSAA member school participates in a speech competition where either a rating or ranking is given which is held in another state, interstate sanction must be approved by SDHSAA.

NOTE: SDHSAA member schools may not enter competition:

1. Which is held at a distance greater than 300 miles from the South Dakota border.
2. Which is held on a Sunday.
3. All schools participating are members of their state association - NO CLUB TEAMS.

BORDERING STATE COMPETITION: An exception to the "interstate sanction rule" exists (but not to the "300 mile limitation" or the "no Sunday contest" rules) where by any contest which is held in a State bordering South Dakota is automatically sanctioned and approved for South Dakota Speech participation.
