## **Other Clothing:**

**School clothes:** Jeans, comfortable shoes and a sweatshirt.

**Hats, baseball caps, etc. – PLEASE LEAVE THEM AT HOME.** *We will not allow caps, headbands, bandannas or any headwear (unless it is for religious reasons) to be worn inside the building during the convention.* Only the SDSCA staff members can wear hats. **Thanks!**

**We ask that pants hanging off the hips find their way around the delegate's waist quickly.** We will not be embarrassed to tell students to pull them up.

**Delegates should not bring any clothing that is offensive or questionable in nature.** Each Convention delegate is a school leader and we expect them to live up to their leadership responsibilities.

**Banquet clothes for Monday evening:** Suit, sport coat or dress shirt and tie; skirt and blouse, dress or party dress. **This is a "dress up" time.**

**Money:** For Sunday evening (coming to) and Tuesday noon (going home) meals, plus money for snacks (i.e., pizza).

**School supplies:** A spiral notebook, pencils, pens, marking pens, scissors, tape, glue, poster paper and other materials {to take notes **and** to prepare for election campaigns}.

**Medications:** Any prescription and over the counter medicine you may need during the convention. **All** medications must be in **original** or **properly labeled containers**.

**Optional:** Camera and film to take pictures and preserve memories.

**Loads of enthusiasm, an eagerness to try new ideas, a desire to meet new people and to learn.**
