

SDSCA LEADER

WINTER 2006

Blast Off!!

"Come in SDSCA members...Come in SDSCA members...this is Kayla Aston your State Reporter...I have important information about the upcoming SDSCA State Convention..." This year the SDSCA Board Members went a little crazy and decided that "Leadership in Action" would be a great theme for the 2006 March State Convention. I hope you all are looking forward to this year's convention and I hope you are all up to the challenge, this mission is proving to be a tricky one. Good luck leaders I know I can count on you.

Operation: "9/11"

"Good work SDSCA...we've accomplished our goal...we came together as a group and raised over \$12000 for a memorial located at our state capital. Some of

you rookies might not have known but on September 11, 2005 "student council members" from across the state flooded to Pierre where our dedication ceremony was held. But, good news!!! If you were still in "leadership training" and missed out on the dedication, you will get your chance in March. The State Board has decided to hold a re-dedication ceremony during the convention. I look forward to seeing all of your faces there. I must congratulate all of you on your hard work. I knew I could count on you to get the job done!! And now is the opportunity to see what you have helped to accomplish.

Update: Fall

Operation 05'

"Attention SDSCA...Each student council does a great job of community service, and we want to know about it!! Whatever your community service project between now and January, please, create a poster (not to exceed 2' by 3') to be hung at the convention in March. Take pictures, use graphics and print to create a way to share your ideas with the rest of the state. This is not a

competition, but a way to share what your council did to better their community...I know you all will come to the convention with your posters looking spectacular...just remember community service isn't "Classified" information...spread it around!"

2005 Agent Workshops:

This year the region meetings for interested personal were held throughout the month of October. SDSCA Investigative Training was held and the over all impression seemed to be impressive. I myself couldn't believe all of the new trainees. These future leaders looked eager and ready to do their job...LEAD!!! Good job leaders...give yourself a hand.

Region 4

Workshop:

South Dakota is a member of Region IV with North Dakota, Wyoming, Minnesota, Wisconsin, and Michigan. Every two years, a student member from each region is elected to the National Board. Each state will have a delegate to be interviewed at the Region IV meeting in Minneapolis on February 3, 4, and 5. Selection will then be made by a vote of executive directors

and students. Attention SDSCA Members...this year South Dakota has elected to send Skyle Paige from Custer High School to Region 4!!! Congratulations to all those who applied. Remember detectives...we're all in this together, so let's all keep Skyle in our thoughts as her big day approaches. Good Luck Skyle, I know you'll make us proud.

Disguise???

Whoa!! That's right SDSCA Members...if we plan on completing our operation we mustn't be mistaken for "regulars." So, don't forget to bring your Super Hero COSTUMES to the Convention....don't forget our theme "Leadership in Action," so make sure the costume fits the theme. I know a few detectives who were talking of Spider Man, and the Hulk as good choices. I know I can count on you to make appropriate decisions when it comes to your costume.
