2007

March is now here and with that the 2007 SDSCA Annual State Convention is just around the corner. The state board is working hard to make the twentieth anniversary convention the best one yet. This year's theme is "Outstanding LeaderZ". So pack your ruby slippers and follow the leadership road to Pierre.

## Community Service Project

This year for a State Convention project, the state board has chosen to do a community service project for the troops in Iraq. The project involves sending letters and school newspapers to the troops through the Red Hat Society.

The state board is asking student councils to bring two to three copies of their high school newspapers to the State Convention. Also, the students need to come prepared to write a letter to the troops. The SDSCA will supply stationary for the thirty-five minute session.

## State Convention Shirts

The only opportunity for SDSCA Convention Delegates to order a SDSCA State Student Council Convention shirt is through the use of the advance order form that was sent out with the State Convention registration materials. This year no additional shirts will be prepared and no late orders will be accepted.

### STATE CONVENTION SHIRT DAY:

Monday March 26 has been designated as "State Convention Shirt Day". All State Convention delegates and advisors are encouraged to wear their "official" State Convention shirts on that day.

### DEADLINE TO ORDER:

The deadline for schools to order and secure State Convention shirts for Convention delegates will be Wednesday March 7. School orders along with the payment for all shirts must be postmarked on or before that date and orders postmarked after March 7 will not be accepted.
