

SPORTS CLASSIFICATIONS

CURRENT SPORTS CLASSIFICATION FORMULAS

1. Basketball – Cross Country – Track & Field
Volleyball – Competitive Cheer – Competitive Dance
Class AA – 450.000 and above
Class A – 90.000 to 449.999
Class B – 89.999 and below
2. Football
11AA – 450.000 and above
11A – 200.000 to 449.999
11B – All remaining schools that play eleven-man
9AA – The top one-third of all nine-man teams
9A – The middle one-third of all nine-man teams
9B – The bottom one-third of all nine-man teams
3. Gymnastics
Class AA – 450.000 and above
Class A – 449.999 and below
4. Golf
Class AA – 450.000 and above
Class A – 140.000 to 449.999
Class B – 139.999 and below
5. Tennis
All schools in one class
6. Wrestling
Class A – 225.000 and above
Class B – 224.999 and below

If the number of nine-man teams is not divisible by three, the odd number will go to the lower classes.

NOTE: Schools with an ADM of less than 112.500 may elect to play 11-man football. Any 9-man school/coop whose ADM jumps from below 112.500 to 112.500 or above has two years to make the transition from 9-man to 11-man pursuant to the policy stated in the football section.

Classification is based upon the Average Daily Membership (ADM) for grades 9-11.

NOTE: The Board of Directors will grant permission to any school to participate in a higher classification than their ADM (9-11) places them. If a school requests and is granted permission, they will remain in the higher classification for a two-year alignment period. At the end of the two years, they could exercise their option again if they so desire. If a school requests to move up in one activity they must move up one classification in all other activities that use the same classification formula.

Petitioning Up: Golf – Mitchell Christian, Aberdeen Roncalli, Stanley County
Wrestling – Lennox, Tea Area, Chamberlain

NOTE: If two or more schools enter into a cooperative agreement, the larger school will be considered the base school and the smaller school(s) will be considered the satellite school(s). The entire ADM (9-11) of the base school will be counted. The number of student participants from the satellite school will be determined from the 2008 roster submitted on the SDHSAA website. Those students in grades 9-11 will be counted. It will be necessary for the satellite school to identify students from their school on the roster.

Lemmon (89.347) McIntosh (14.453) (30%) = 103.800
Leola (38.138 (90%) Frederick (54.490) = 92.628
Burke (51.948) Bonesteel-Fairfax (31.731) (80%) = 83.679 (South Central)
Marion (53.768) Hurley (28.819 (80%) = 82.587
DeSmet (60.669) Iroquois (20.698 (60%) = 81.367
Florence (53.330) Henry (19.430 (50%) = 72.760
Rosholt (57.000) Fairmont, ND 6.400 (20%) Campbell-Tintah, MN (8.700) (30%) = 72.100 (Tri-State)
Tripp-Delmont (25.086) (60%) Armour (46.040) = 71.126
Edmunds Central (38.139) Hoven (31.987 (90%) = 70.126
Corsica (52.786) Stickney (16.500) (50%) = 69.286
Oldham/Ramona (14.083) (70%) Rutland (28.880) = 42.963

All remaining coops did not submit lists from satellite schools therefore 100% of ADM (9-11) from both schools in the coop was used to determine classification.
