- F. Whenever a vacancy occurs on any sports committee, every effort should be made to fill said vacancy with a qualified person from the gender that is under-represented.
- G. An alternating system shall be established in the sports of basketball, golf, tennis and track/cross country whereby the coaches in each class in said committees will alternate between coaches of boy's teams with coaches of girls teams. An alternating system will be used for principals and superintendents whenever a vacancy occurs.

II. Duties and Responsibilities.

The individual sports committees will meet once a year, and draft their recommendations for changes and/or revisions. The SDHSAA will pay mileage and per diem costs for this meeting.

Examples might be, but not limited to, such things as meeting with coaches at a state event, conducting a survey of coaches in each class respectively, poll administrators at area administrators meetings, etc.
2. Each committee will annually review the section of the Handbook that pertains to their sport.
3. Upon request, all Advisory Committee recommendations will be made available to the various secondary administrative organizations for their review and recommendations.
4. The proposals with all recommendations will be presented to the Board of Directors at their April Meeting.
5. All regulations approved by the Board of Directors will be implemented for the next school year unless the Board of Directors determines otherwise.
6. The Board of Directors shall have the power to adopt such rules and regulations in connection with any and all high school activities that are not inconsistent with the Constitution and By-Laws, as the Board may deem necessary. The Board of Directors may adopt such rules or regulations at any regular or special meeting that might be scheduled.
