| <input type="radio"/> Cross Country/Track |   |                                |  |

**Title of Proposal:** Require the use of INSIGHT for Scoring/Score Management for Gymnastics by member schools.

**Proposal will affect the following classes (please check all that apply):**

- Class B  
 Class A  
 Class AA

**Proposed Rule Change:**

All members schools that sponsor gymnastics will use INSIGHT for scoring at events and/or score submission after events.

**Rationale for Rule Change:**

INSIGHT is a web based scoring system that is part of the ScoreFlipper suite for Gymnastics Event Management. Using this system exclusively will allow for real time tracking of individual scores for athletes throughout the course of the Gymnastics Season. Coaches, athletes and fans will be able to track scores and qualifying performances throughout the season. The staff at the SDHSAA will have a central location from which to pull data for the postseason as well. Schools will have the capability to download results in a format that can be uploaded to Bound. The cost for implementation will be \$200 per school.

Similar central scoring/tracking systems have been successfully implemented in the sports of Cross Country, Track & Field, Wrestling and Golf. This move would align Gymnastics with those sports and provide the coaches, athletes and fan base the benefits enjoyed by those from the other sports.
