 - ii. What to do with out of state 2/3 matches playing to 15 or 21?
Rule 1-2-1 Notes:
 - 1. By state association adoption, teams may play a best two of three sets match in which a team is considered the winner of the match when it wins two sets. **All sets shall be 25 points (no cap)**. The third set shall not be played unless it is necessary to determine the winner of the match. If a third set is necessary a coin toss shall be conducted prior to that set.
 - 2. By state association adoption, modification of match format is permitted for series other than dual varsity matches.
 - iii. Out of state opponents: Can we count post season matches? Is there a better way to do it? (Aaron)
 - iv. Cutoff date is cutoff date: no matches may be played after the cutoff date. Not fair to team that they get to play matches and they get to play but with no seed points.

Proposal will affect the following classes (please check all that apply):

- Class B
- Class A
- Class AA

Proposed Rule Change:

Allow for AA volleyball to play matches vs. a Class A or Class B opponent, or in an "out-of-state" tournament, without a deduction in points.

Rationale for Rule Change:

- * majority of AA schedules are full of common opponents (AA).
- * most of the time these lower class teams are at competitive tournaments.
