**SDIAAA SPRING CONFERENCE
MARCH 29-APRIL 1, 2022
THE LODGE - DEADWOOD**

TUESDAY, MARCH 29

9:00 - 1:00 LTC 501 Athletic Administration: Guiding Foundations and Philosophies
Randy Soma, CAA, Paul Nepodal, CAA, and Cory Aadland, CMAA (Pre-registration required)

9:00 - 10:00 Mentoring Committee

10:00 - 12:00 Strategic Planning Committee

1:00 - 2:00 Scholarship Committee Meeting-Review Student Essays

1:30 - 5:30 LTC 502 Athletic Administration: Strategies for Organizational Management Clay
Anderson, CAA, and Jordan Bauer, CMAA (Pre-registration required)

2:00 - 5:00 SDIAAA EXECUTIVE COMMITTEE MEETING

6:00 - 10:00 LTC 706 Athletic Administration: Coaching Coaches to be Educational Leaders Doug Kilgore,
CMAA (Pre-registration required)

WEDNESDAY, MARCH 30

8:00 - 10:00 Black Hills Conference Meeting

8:00 - 10:00 ESD Meeting

8:00 - 12:00 Dakota XII/Northeast Conference Meeting

9:00 - 10:00 Little Moreau Conference Meeting

10:00 - 11:30 Dakota Valley Conference Meeting

10:00 - 11:30 Class AA Meeting

10:30 - 11:30 Region 8B Meeting

12:00 - 4:00 LTC 716 Athletic Administration: Partnering with Parents to Build a Positive Team Culture in the 21st
Century Doug Kilgore, CMAA (Pre-registration required)

4:00 - 5:00 Great Plains Conference Meeting

4:00 - 5:00 Region 2B Meeting

4:00 - 5:00 Region 3B Meeting

4:00 - 5:00 Region 6A Meeting

4:30 - 6:00 NIAAA Certified Athletic Administrator (CAA) Examination – Nathan Bloom, CAA 5:00 - 8:00
SDIAAA CONFERENCE REGISTRATION & SILENT AUCTION
\$190.00 (includes all dues)

5:00 - 8:00 SDIAAA Vendor and Retiring Athletic Directors' Reception-Sponsored by Mammoth Sports Construction,
Crouch Recreation, Hudl, Jostens, and Daktronics

THURSDAY, MARCH 31

7:00 - 8:00 Breakfast Buffet-Sponsored by South Dakota National Guard

7:30 SDIAAA CONFERENCE REGISTRATION & SILENT AUCTION - VISIT VENDORS 8:00 - 8:15 Welcome
and introduction of new athletic directors – Jared Vasquez, President College Credit – Jerry Miller (1
College Credit)

8:15 - 9:15 Doug Kilgore, CMAA

9:15 - 9:30 "Building with Beef" update – Suzy Geppert-Executive Director

9:30 - 10:30 BREAK - VISIT VENDORS

10:30 - 11:30 CLASS BREAK OUT SESSIONS – Class A and B – Class Representatives presiding

11:30 - 12:00 BREAK

12:00 - 1:00 **HALL OF FAME INDUCTION Luncheon** – Terry Stulken, MC

1:30 - 2:45 WORKSHOP - SDHSAA Staff - Round Table Discussion: "Current Issues." 2:45 - 3:00
INTRODUCTION OF VENDORS

3:00 - 4:00 FIRST GENERAL SESSION – President Jared Vasquez presiding Discussion of Advisory Committee
Sports Proposals

4:15 - 4:30 BREAK

4:30 - 5:30 SECOND GENERAL SESSION - President Jared Vasquez presiding Discussion of Advisory Committee
Sports Proposals

5:30 - 6:00 THIRD GENERAL SESSION – Discussion of Cheer & Dance, Gymnastics, Soccer, Tennis

5:30 - 6:30 Region 7B Meeting

FRIDAY, APRIL 1

7:00 - 8:00 Breakfast Buffet-Sponsored by the Lodge & Regency Management

8:00 - 10:00 FOURTH GENERAL SESSION - President Jared Vasquez presiding
Finish any final discussion or amendments to Sports Proposals

10:00 - 10:15 REGION MEETINGS - Region Representatives presiding

10:15 - 12:00 SDIAAA GENERAL BUSINESS MEETING - President Jared Vasquez presiding Silent
Auction, Door Prizes and 50/50 Raffle

Friday:

Continental Breakfast.....	Pine Crest A&D
Workshops/General Sessions/Business Meetings.....	Pine Crest B

BASKETBALL

Proposal #1: AA Mercy Rule

Class AA: The mercy rule shall be used for all regular season, region and SoDak 16 contest. When the point differential reaches 30 or more points in the second half, the clock will continue to run. The clock will only be stopped for free throws and time-outs. Regular timing rules will be used if the score differential drops back to less than 20 points.

Rationale: Aligns all classifications using the same rule. Also, many felt not much is being learned when games get so far out of reach and potential sportsmanship issues become more prominent.

YES NO

Proposal #2: Out- of-state opponents

Out-of-State Opponents: Seed point averages for out-of-state opponents will be calculated to include all contests (regular or postseason) through the South Dakota cutoff date.

Rationale: Growing concern to seek out of state opponents records as there is not a standard place to get this information at this time for out of state opponents (111 out of state opponents this year). What takes the most time is determining if these states are in post season play or not, so if we count all game up to the cutoff date, that makes it more bearable in the check system we do to ensure that records are correct.

YES NO

Proposal #3: Final cutoff date for regular season

No regular season contests shall be played after the cutoff date set by the SDHSAA.

Rationale: Contests that are played after the date become exhibition contests or scrimmage contests as they cannot be used for seed point. This committee feels that the cutoff date is cutoff date and no regular season contests should be played after the cutoff date. Region chairs need to have that information so they can get Region pairing and brackets set for the Region play.

YES NO

Discussion Items:

1. Coach/Officials Evaluations
2. Expanding the post season for AA AD's- presently 3 boys and 3 girls teams do not make the playoffs. Is that the way we want to continue?

SIDELINE CHEER

PROPOSAL#1: Number of sideline cheerleaders

Change the number of sideline cheerleaders to 8 PLUS the mascot. The mascot will not be counted in the 8 cheerleaders for the squad limits.

Rationale: The mascot generally is not involved in the groups and helps with stunting to have the number be 8 instead of 7.

YES NO

COMPETITIVE CHEER

Proposal #1: Warm-up time

To have a five (5) minute maximum time limit for warm-up on the competitive floor for each team, with the option for host schools to schedule the time or not.

Rationale: Teams seem to be taking more than that to warm up and the committee felt we need to specify the time frame in which they can be on the competitive floor. Have someone in the gym to time each team as they enter the floor with a max of 5 minutes.

YES NO

Proposal #2: Tweak Pyramid category language

Tweak in the Pyramid category in the 5 point difficulty to say *three* ~~two~~ advanced entries or release transitions.

Rationale: There needs to be a tweak in the Pyramid category in the 5 point difficulty to say three advanced entries or release transitions instead of two. Two is listed in the 4 point category and was confusing to judges and coaches.

YES NO

Discussion Items:

1. Coach's education requirements need to be completed BEFORE coaches start coaching the season.
2. Changing facilities for male competitors, making sure we have adequate facilities during the competition and trying not to share with other male sports participants

COMPETITIVE DANCE

Proposal #1: Tumbling language change

SD Rules book changes to say the following tumbling skills will be allowed: cartwheels, round offs, aerials (front and side with bent or straight legs), front and back handsprings as long as the feet or hands land first. Any flipping movement that takes off or lands on two feet are illegal with the exception of round offs, front and back handsprings. Front and back tucks are illegal. Tumbling passes that connect different or same skills remain illegal.

Rationale: Committee felt we needed to address which tumbling skills are legal and which skills are illegal on the rubric. The Webster was removed.

YES NO

Discussion Items:

1. Color of floor tape be a bright NEON color, something other than white that is easily recognizable.
2. Changing facilities for male competitors, making sure we have adequate facilities during the competition and trying not to share with other male sports participants.
3. Coach's education requirements need to be completed BEFORE coaches start coaching the season.

FOOTBALL

Proposal #1:

No formal proposals for consideration

Discussion Items :

1. Extend the coaches box down to the 15-yard line. The NFHS will be changing to this in 2022. They will allow state associations to come up with the yard line that will be enforced in each state.
2. AAA – Playing more games on week 0 with out of state opponents
3. Tie breaker and seeding procedure sent to all schools from SDHSAA
4. Continued success of All-Nations Conference
5. Continue to Retain, Recruit Football Officials
6. Games will need to be played again on Thursdays, Friday's and Saturday's
7. Riding time for officials was discussed
8. 11AA Seed Points -Discussion on seed points for 11AA due to disparity in strength of schedule amongst schools.

GOLF

Proposal #1: To Change the wording on the “Coaching on Course” Rule for all classes.

The Coaches would be able to coach their players anywhere, except on the greens. This would include the teeing area, and those areas already allowable, and be allowed to coach players until all players are physically on the putting green.

Rationale: –The coaches feel that this would help with pace of play and the student athlete experience.

YES **NO**

Proposal #2: Clarification on permissible electronic devices.

Rationale: The coaches believe with the ever-evolving technology, that Bluetooth headphones/earbuds be added to the list of prohibited devices while in competition. These devices are fine while prepping for any event, they should not be allowed during play.

YES **NO**

Proposal #3 Change to 60% from 50% for state qualifying field

Rationale: The coaches feel that competitive golfers are not making it to the state tournament. This Fall was the 1st year of the 50% rule.

YES **NO**

Proposal #3: If the 60% change does not get passed then they would like to go with the 50% and the Redistribution of Athletes to Participate at the State Tournament due to schools not filling their original quota for Region Tournament Participation.

Rationale: First, the SDHSAA already welcomes 37 Teams (Boys & Girls), to participate in their regions which if full, their numbers equate to a total of 185 players throughout the state. The current rate for qualifying for state is at 50%, with means the SDHSAA has already agreed to have 93 players at a Class A state meet. For various reasons, many schools are not fielding full teams. Compounding this issue, participation is not as cyclically valued per region. Therefore, the actual qualification totals are grossly unequal in both eligibility and quality. Again, it is not fault, nor alignment, nor value. It just is, what it is. The need is paramount. Currently, year after year, schools are leaving home players who shoot under bogey because our state tournament is not a full field. So, to ensure fairness for those players worthy of participating in any state tournament, and not affecting realignment, not affecting current region participation, and not taking away any player from qualifying for a state tournament under the current guidelines, we would like to propose a redistribution method, not to exceed an already welcomed field of approximately 93 players at a state tournament.

YES **NO**

Proposal #4: Allow for coaches’ discretion on placement of players in Day 1 only of the State Tournament for Class AA

Rationale: The AA Coaches believe with only meets with greater than 4 teams used that players averages, there are additional smaller events that move those players in their respective teams. Thus, the coach should have the discretion to align his/her players as they choose as long as they are eligible for the competition.

YES **NO**

Discussion Items: Golf

1. Allow the SDHSAA to arrange practice round times for the state tournament.
2. Super Regionals for Class A & B
3. Allow AA Coaches to set line-ups for first day of Sate Tournament

GYMNASTICS

Proposal #1: Consistent warm-ups for meets

The committee is proposing warmups for meets be run in one of two way:

- 1. Traditional Warmup-** the usual way that things were done prior to covid. Teams come and warmup a couple of hours before the meet starts going through their rotations and then compete based on the rotation assigned by the site host.
- 2. Modified Capital Cup format:** This is the warmup that should take place at all region/state qualifying meets. Gyms will open for stretching, and shared warmup on each event. Teams will have to rotate and share equipment for warmup in allotted time. One hour warmup time. Once competition begins, teams will have a 5 minute TEAM warmup on each event regardless of the number of athletes participating. Then each athlete will have a 1 ½ minute touch warmup prior to competing. Vault will use the same time for touch warmup.

Rationale: Coaches felt these was lack of consistency with warm-ups throughout the season and they wanted a similar format for all meets. Basically, these are the two warm-up formats that need to be used throughout the season and the host site will decide. For the Region/State Qualifying meet, everyone will use the Modified Capital Cup format. That way all warm-ups are the same at the Region/State Qualifying meets.

YES NO

Proposal #2: Qualifying Scores

Adjust the state qualifying scores as follows: Class A: Vault - 8.7 and Floor – 8.8 and Class AA: Beam – 8.9 and Floor – 9.2

Rationale: Based on the number of in-season qualifiers we had in these events this past year, the committee looked at the 5 year average of scores and made the following adjustments.

YES NO

Discussion Items:

1. Meet etiquette prior to the meet being completed.

SOCCKER

Proposal #1: State Tournament Schedule Rotation

The committee proposed rotating the schedule each year so each class and gender will play their State Championship game at a different time depending on the year.

State Tournament Schedule Rotation

2022

Boys Class AA (11:00am)
Girls Class AA (1:00pm)
Boys Class A (5:00pm)
Girls Class A (7:00pm)

2023

Girls Class A (11:00am)
Boys Class A (1:00pm)
Girls Class AA (5:00pm)
Boys Class AA (7:00pm)

2024

Girls Class AA (11:00am)
Boys Class AA (1:00pm)
Girls Class A (5:00pm)
Boys Class A (7:00pm)

Rationale: Based on what we do in other sports and not knowing the weather situation that can come up the committee felt it was appropriate to rotate the championship times and schedule every year.

YES NO

Discussion Items: Soccer

1. How do we balance the classifications.
2. Salary and riding time for officials was discussed
3. SDHSAA will send out reminders that officials need to leave immediately after game is over much like other sports do when they conclude. They should not stay for the handshakes and converse like club soccer.

TENNIS

Proposal #1: Change match format

Change the match format of the State Tournament to play 2/3 sets with a match tie break in lieu of the final set for all championship round matches.

Rationale: This creates consistency with what most do all year long. The committee agreed that since we do not play 2/3 full sets all year long, it is hard to justify 2/3 full sets at the biggest event of the year and playing semi's and finals in both singles and doubles, is hard for the kids to endure.

YES NO

Discussion Items: Tennis

1. Should doubles matches be counted regardless of who plays in the match? Everyone understands the concern, but don't want to hurt the wrong people.
2. Line-up changes and implications when this happens. When coaches change their line up at the end of the season, it affect several athletes' seed points. We do have rule in place that says you must play in the flight in which you played the majority of your matches throughout the season.
3. Coach's education requirements need to be completed BEFORE coaches start coaching the season.

TRACK & FIELD/CROSS COUNTRY

Proposal #1: Final Meet of the season

The final meet of the season shall be no later than Friday of week 46 with state entries due to SDHSAA by noon on Saturday.

Rationale: Entries need to be to the SDHSAA by Saturday to help with seeding of state track meet.

YES NO

Proposal #2: AA only – All state qualifying track meets must be run with F.A.T timing starting with the 22- 23 school year.

Rational: help to ensure top 24 qualifiers are qualifying all the same way. No longer want hand held times at qualifying meets.

YES NO

Discussion Items: Track

1. State Track Schedule, 4X800 and eliminating the Boys and Girls 100 Semi-finals was approved for this year's state track meet by the Board of Directors
2. F.A.T Timing systems for Qualifying regular season track meets. Making it required.
3. Athletic.net – Continue to use.
4. State Track Schedule for 2023 look at adjusting the hurdles in the schedule

VOLLEYBALL

Proposal #1: Out-of-state opponents cut date

Out-of-State Opponents: Seed point averages for out-of-state opponents will be calculated to include all contests (regular or postseason) through the South Dakota cutoff date.

Rationale: Growing concern to seek out of state opponents records as there is not a standard place to get this information at this time for out of state opponents (111 out of state opponents this year). What takes the most time is determining if these states are in post season play or not, so if we count all game up to the cutoff date, that makes it more bearable in the check system we do to ensure that records are correct.

YES NO

Proposal #2: Cut date final date to play

No regular season contests may be played after the cutoff date set by the SDHSAA.

Rationale: Contests that are played after the date become exhibition contests or scrimmage contests as they cannot be used for seed point. PLUS it falls into the All State Chorus and Orchestra time frame as when ASCO groups are traveling to their State event. **This committee feels that the cutoff date is cutoff date and no regular season contests should be played after the cutoff date.** Region chairs need to have that information so they can get Region pairing and brackets set for the Region play.

YES NO

Discussion Items:

1. Line judges will not switch sides during the match. Line judges remain on the same side.
2. Going to higher seed in VB for SoDak sites and pay mileage to the traveling team like we do in football.
3. Riding allowance for officials who have to leave work early to make the contest and travel a great distance.
4. Coaches education requirements need to be completed BEFORE coaches start coaching the season.

WRESTLING

Proposal #1: TrackWrestling Training

To make it mandatory to have TrackWrestling training for head wrestling coaches. This will be similar to the online rules meeting that needs to be completed. If this is not completed by the deadline set by the SDHSAA a fine will be assessed of \$50 to the school.

Rationale: Coaches are not properly entering or updating results, which creates issues at Region seeding time. The lack of understanding is creating a negative perception of the process that should not be an issue. School will be required to keep their TrackWrestling up to date throughout the season.

YES NO

Proposal #2: Deviation from NFHS rule on out of bounds ruling for high school.

This is to deviate with the NFHS on the out of bounds rules. We would follow the college rule as it pertains to what constitutes the wrestlers being out of bounds. Simply put if any point of the wrestler is in the circle they are still in bounds.

Rationale: Officials rule differently on each out of bounds situation. This would make it easier for our officials and coaches to be more consistent with their call. The SDHSAA also has to check with the liability and insurance company to make sure that our catastrophic insurance will still be covered if we deviate to this procedure.

YES NO

Proposal #3: Out of State Dual seeding points for wins and losses

For out of state dual competitions each school will receive 45.5 seed points for a win and 34.5 for any losses that occur.

Rationale: It is continuing to get tougher and tougher to get the accurate results of team records out of state. This would elevate this issue when it comes to seeding time for state duals. We currently do not have an accurate way to check each out of state school dual record for accuracy which could affect seedings.

YES NO

Proposal #4: Amend “Tournament Administration and Regulations” Section A (p. 6 in Wrestling Handbook) Handbook to read as follows: “Each team must use TrackWrestling as live management software for all tournaments and dual competition, to include multi-dual events” In addition, add a section following the TrackWrestling deadlines on page 6 of the Wrestling Handbook that reads as such “Failure to update TrackWrestling via the deadlines above will result in a \$50 fine to the school”

Rationale: Schools and coaches need to make it a priority to use TrackWrestling for all events in order to properly update records, weigh-ins and seeding. This will allow schools better record keeping and more accurate records that will help with regular, and post season seeding and scoring. School will be required to keep their TrackWrestling up to date throughout the season.

YES NO

Discussion Items: Wrestling

1. Weight Classes for 2022-23 Season will stay the same as this past year. Discussion and voting for weight classes for the year of 2023-24. Please note that starting in 2023 season the highest weight class for females will be 235.

Weight Classes for Girls that we will need to decide on:

12 Classes – 107, 114, 120, 126, 132, 138, 145, 152, 165, 185 & 235

13 Classes – 100, 106, 112, 118, 130, 136, 142, 148, 155, 170, 190 & 235

14 Classes – 100, 105, 110, 115, 120, 125, 130, 135, 140, 145, 155, 170, 190 & 235 **Weight Classes for Boys that we will need to decide on:**

12 Classes – 108, 116, 124, 131, 138, 145, 152, 160, 170, 190, 215 & 285

13 Classes – 107, 114, 121, 127, 133, 139, 145, 152, 160, 172, 189, 215 & 285

14 Classes – 106, 113, 126, 132, 138, 144, 150, 157, 165, 175, 190, 215 & 285

2. We will be putting together a committee to figure out our OPC system and how that will be regulated. Schools should set aside money for skin calipers and dehydration strips that will be used. Training and requirements will be sent out to schools once they have been put into place.
3. Rosters/Coaches Deadlines will need to be followed or fines and or region and state events will be restricted.

IN/OUT OF SEASON & AD ADVISORY

Proposal #1 – Add Softball to In/Out of Season Handbook

Add Softball to In/Out of Season Handbook with the number of 7 as the maximum number of participating athletes that can attend at any one time for Club Teams, All-Star Events and Private Lessons

Rationale: We have added softball to the sanctioned SDHSAA Sports starting in the Spring of 2023. We needed to setup out of season requirements and are comparing them to

Discussion Items:

1. In/Out of Season Rules and how can the SDHSAA educate to membership on the rules.
2. Review the FAQ in the handbook.
3. Discussion items for the SDIAAA clinic
4. National Championship & Governing Body or National Team/Event Participation Rule
