**Kelly Messmer**  
Chairman  
SDHSAA Board of Directors

On behalf of the SDHSAA Board of Directors and the SDHSAA Staff, we Welcome you to the 2023 State Football Championships!

What a fantastic experience all athletes, parents, and fans will be experiencing today, and/or over the next few days. The opportunity to compete in a state event and the chance to win a state championship is quite an accomplishment! Not all student-athletes will ever have the opportunity to compete at a state tournament or have the opportunity to win a state championship. Enjoy every single moment of this experience, win or lose, because although memories will last a lifetime, you never know if you will get to experience this occasion again.

Please remember that high school athletics/activities are an extension of the classroom and how important the “student” in student-athlete truly is. Be proud of the hard work you put into the classroom, as well as all the athletic facilities. Being a student-athlete will teach you many things including teamwork, dedication, discipline, hard work, and sportsmanship. Overall, it will teach you to be a well-rounded individual who will have the tools to succeed in the game of life.

As you may have heard, SDHSAA has made it an emphasis to improve sportsmanship at events. The respect of athletes, coaches, and officials by all involved is paramount to the success of this event. Please do your part in making sure proper sportsmanship is displayed by being positive to all athletes, coaches, officials, and workers. Remember that you are representing your communities, schools, families, and alumni.

Best of luck to all athletes, coaches, and teams!

**Bob Kornely**  
COACH/DIRECTOR

**Bob Kornely** is a teacher and coach at Todd County High School in Mission, South Dakota where he has served for 30 years.

Kornely is a graduate of Todd County High School where he participated in football and track and field. After high school, Kornely went to college at Dakota Wesleyan University. It was here that he decided to go into education and coaching. At DWU he participated in football and track. He was a four-year starter, two time All Conference performer, Team Captain, and Lifter of the Year. At DWU he got his first coaching opportunity as a student assistant coach on the football team after his four years of eligibility were finished.

After graduating from college Kornely began his teaching career in 1993 at his alma mater, Todd County High School, working as a Social Studies teacher. During this time at Todd County, he started out as an assistant coach in both but became a Head Track Coach in 1997 and Head Football Coach in 2001.

In track and field, Todd County has won the region track and field championship six times and four consecutive LNI boys and girls championships with Kornely as head coach. He was the Region 4 Track Coach of the Year two times.

In football, Kornely is the school's all-time winningest coach - recording a 115-79 record as a head coach and has won over 150 games as a head and an assistant coach combined. He has coached 11 conference championships and coached the 2022 All Nations League Championship. Kornely was Region 7 Football Coach of the Year two times and coached in the South Dakota All Star game in 1993.

Kornely has been married to his wife, Carrie, for 29 years and has three children: Ryan (28) (wife Liz), Madison (24), and Jaycob (16). He has taught and coached all three of his kids at Todd County High School.

"I've been very fortunate as a coach to work with numerous other coaches and hundreds of student athletes. The relationships and experiences with them are what I value the most!"

## NATIONAL FEDERATION INTERSCHOLASTIC OFFICIALS ASSOCIATION "FOOTBALL ACTIVE OFFICIALS AWARD"

Since 1983 the National Federation Officials Association has sponsored Active Officials Awards for each state in all sports. South Dakota's football Awards program began in 1988. The individuals receiving these awards have exemplified the highest standards of ethical conduct and moral character and have been given the endorsement of the SDHSAA. They have made significant contributions to high school officiating in South Dakota and are members of the NFIOA. On behalf of the administrators, coaches, athletes, and the SDHSAA we salute these people for their outstanding service and unselfish devotion.

**The 2023 South Dakota Football NFOA Award recipient is Scott Jacobson.** Previous award winners are posted on the SDHSAA website ([www.sdhsaa.com](http://www.sdhsaa.com)).

**Scott Jacobson**

Scott Jacobson has officiated high school football for 35 years. His officiating career began with an invitation from Dennis Krnsnak to join his crew of South Dakota Army National Guardsmen, in Rapid City, in the late 80's. Scott worked with that crew for about 10 years before that crew retired and he became the crew chief in the late 90's. He continued the national guard tradition by asking several of his peers, including his brother Joe, to join him. That crew is still going strong and has worked five state championship games with the most recent being the 11AAA game in 2022.

Jacobson is honored to have worked with his same crew all these years and to be recognized in a recent article in the November 2023 issue of Referee magazine. The title of the article, Highest Ranked Crew, highlights each of the seven crew members (2 general officers, 4 colonels and 1 son of an E-8 master sergeant) with their service to country, and ties to community service by officiating high school football. Scott credits the crew's success to the strong relationships, trust, and respect they all have for one another and each official's desire to do the best job they can on Friday night.

Scott is grateful for the many friendships that have come from working with other officials throughout the state. He is very active in his community and enjoys supporting and mentoring new and young officials, coaches, and young players in various youth football programs in the Black Hills area. These include Black Hills Youth Football League, Rapid City Junior Football, and other various sub varsity programs around the area. He is honored to represent football officials across the state as he serves on the SDHSAA Sports Officials Advisory Council.

Scott is grateful to his wife Angel, and his children, for their support in his officiating all these years.

# LISTEN UP.

WHEN YOU TAKE A PUFF FROM A VAPE PEN, YOU ARE INHALING TRULY VILE CHEMICALS. YOU'D BE SURPRISED WHERE ELSE YOU CAN FIND THESE TOXIC INGREDIENTS.

**VAPING SUCKS.**  
**LAY OFF YOUR LUNGS.**

## ACETONE

That varnish stuff you shellack to wood to make it look shinier? It contains a compound that's found in nail polish, paint thinner and — you guessed it — vape pens.

## FORMALDEHYDE

You know that sickly smelly stuff that preserves the frogs you dissect in anatomy class? It's toxic. It's pungent. It's in vape pens.

## DIETHYLENE GLYCOL

That fluorescent green antifreeze stuff you pour into a car engine? It contains diethylene glycol. It's literal poison to humans. And it's found in vape pens.

# THE DOUG KOESTER AWARD

South Dakota sports fans were stunned in 1988 when Doug Koester of Pierre collapsed and died while officiating the 11B championship game here in the DakotaDome. Koester was a fine official, a devoted husband, a good father to his three children, and still had time to contribute to church and community activities.

In Memory of Doug, and in an effort to recognize the contributions that officials make, not only to high school sports but to their community as a whole, the South Dakota High School Officials Association has established an award to recognize a deserving official for his contributions. The 2023 recipient of this award is **Paul Ortman, Sioux Falls**.

*Paul Ortman has devoted a part of his life to helping others and mentoring officials. Paul started officiating while attending the University of South Dakota and served as USD's coordinator of intramural officials in the 1980s and 90s. He thanks the many mentors who helped him get started, most notably Scott Fiedler and the late Colin Kapitan. Paul just completed his 45th year of high school football in South Dakota and thanks his fellow crewmates for their dedication, including Al Hansen and Steve Riswold, both have been on Paul's officiating crews for over 20 years. Paul is privileged to have officiated three state football championship games, two state basketball tournaments, and numerous state baseball tournaments. Paul is actively involved in mentoring young officials for South Dakota Junior Football. He is also a school bus driver and has a passion for both golf and as a church volunteer. The impact of his efforts will be felt for a long time by all who know him.*

The following rules apply to all district, region and state events. All member schools, conferences, etc. are encouraged to adopt these rules for all regular season contests.

### A. Conduct of spectators, coaches and players.

1. There must be sufficient planning, by the tournament manager and by all participating schools which have qualified for the tournament, relative to appropriate crowd control during the duration of the event.
2. All participating schools will be expected to emphasize the necessity for proper crowd behavior. Administrators from member schools are expected to position themselves near their student cheering section whenever their team is playing.
3. Coaches will be expected at all times to display the type of conduct which contributes good sportsmanship and which does not incite the spectators in attendance.
4. Coaches will be expected to impress upon their athletes the importance of displaying good sportsmanship at all times, including players on the court, substitutes sitting on the bench, or following the conclusion of a game.
5. Administrators will be expected to impress upon their coaches the importance of displaying good sportsmanship at all times.
6. All fans will be expected to remain off the playing area until after the awarding of medals and trophies. Failure to remain off the playing floor will result in the offending team not being recognized by the public address announcer. Medals and trophy will be awarded to school personnel following the awards ceremony. Fans will be allowed on the playing area following the presentation of all awards.

### B. Equipment and facilities.

1. Removal of the nets following the championship game will be under the direction and supervision of the tournament manager.
2. The breaking of a backboard will become the financial liability of the school whose fan(s) caused the damage.
3. Vandalism to locker room facilities, motel rooms, etc. shall be the responsibility of the member school whose player/team was responsible for the damage.

### C. No banners - no signs - no noisemakers

1. Temporary banners and signs of all kinds are prohibited except those displayed by the SDHSAA, the Association's corporate partners, the tournament band, the arena, the tournament manager, and licensed radio and television stations. Cheer cards displayed by cheerleaders are permissible.
2. All types of noisemakers are prohibited. This includes plastic hand shakers, thunder sticks, as well as all sorts of projectiles.
3. Paper confetti and silly string are prohibited.
4. Balloons are prohibited.
5. Megaphones are prohibited except when used by a cheerleader.
6. Musical instruments are prohibited except when the band is performing.

14. All fans will be expected to remain off the playing floor until after the awarding of medals and trophies. Failure to remain off the playing floor will result in the offending team not being recognized by the public address announcer. Medals and trophy will be awarded to school personnel following the awards ceremony. Fans will be allowed on to the playing floor following the presentation of all awards.

NOTE: This policy is applicable to football, volleyball, and basketball.

### DAMAGE TO BLEACHERS AT A STATE EVENT

Damage to bleachers can be caused when the entire student body jumps up and down in unison on the bleachers. The SDHSAA cannot condone or overlook behavior that causes physical damage to a rented venue.

Therefore, the SDHSAA suggests the following:

- Member schools should prohibit this type of behavior from occurring at all regular season contests.
- District and region committees should prohibit this type of behavior from occurring at all district and region tournaments.
- All member schools that qualify a team to a state tournament should make an announcement at a pep assembly informing the student body that this type of behavior is prohibited by the SDHSAA.
- All member schools should solicit the support and leadership of the cheerleaders to stop this behavior.
- Administrators from each of the participating schools should position themselves in close proximity to the student cheering section so they can immediately assist management to stop the jumping if and when it occurs.

## THE VALUE OF EDUCATIONAL ACTIVITY PROGRAMS

Educational based activity programs are an extension of the classroom and an integral part of the ongoing education of our young people. While participating in educational activities, students learn valuable lifelong lessons that can be as important as those taught in the classroom.

### Participation in educationally based activities programs:

- *Enriches the high school experience*
- *Promotes citizenship/sportsmanship*
- *Instills pride in communities*
- *Teaches teamwork and self-discipline*
- *Facilitates a student's development*

### The goals for the SDHSAA Foundation are:

- *To help ensure the future of educationally based high school activities in South Dakota.*
- *To maintain and enhance participation opportunities for the nearly 37,500 South Dakota high school students involved in SDHSAA-sanctioned activities annually.*
- *To increase statewide awareness regarding the benefits of participation in educationally based high school activities.*

The **VISION** of the Foundation is to use the interest generated to maintain and enhance programs and fund special initiatives that are important to the SDHSAA and its member schools.

**The long range goal of the SDHSAA Foundation is to grow through SDHSAA-driven programs and contributions from individuals, businesses, and foundations in order to provide a more stable financial base for member schools and the students of tomorrow.**

## WHY YOU SHOULD CONSIDER BEING A MATCH PARTNER FOR THE SDHSAA FOUNDATION

**Dr. Brian and Dese Aamlid:** We have great appreciation and gratitude for opportunities and experiences afforded us during our school years by the many activities programs and events supported by the SDHSAA Foundation. Lessons were learned about teamwork and leadership, about moving outside one's comfort zone, and about pushing oneself a bit further when it seemed there was nothing left to give. These lessons continue to impact us daily and have extended to our children and now our grandchildren. Our lives have been enriched and our horizons have been broadened. The significance of the role that the SDHSAA Foundation has in the development of South Dakota individuals, families, and communities is beyond measure and will go on for generations. We are pleased to offer our support.

**Steve Hageman, President/CEO Plains Commerce Bank:**

Empowering community athletics and performing arts is more than just a sponsorship—it's an investment in the future leaders across South Dakota. By supporting these young students, we are nurturing not only their physical talents and skills but also their discipline, teamwork, and dedication. These qualities will undoubtedly pave the way for their success, both in their personal and professional lives. As we stand behind our students involved in educationally based activities, we're shaping the strong and visionary leaders of tomorrow. As a community bank rooted in the heart of South Dakota, we are proud to support both the SDHSAA Foundation and the communities in which we serve.

**Coach Kalen DeBoer, University of Washington Huskies:**

Growing up in South Dakota, we understand the impact that the SDHSAA has on our youth and are proud to support the Foundation by being a Match Partner. These opportunities provide South Dakota communities and its students with memorable experiences and lifelong relationships that are critical to growth in areas such as character, teamwork, and leadership development.

**Grossenburg Implement:** Grossenburg Implement likes to help support youth activities in the areas that we do business. Youth activities teach life lessons and make lasting memories. This also helps provide better quality of life and a positive environment for these kids to grow up in. We feel these activities provide a better quality of life for friends and families in these communities, along with giving everyone a great reason to get out and be social in a fun and energized environment.

**Alyssa Broin, POET--VP of Team and Community Impact:**

Our community impact initiative is focused through three pillars: The Earth, The Community, and The Next Generation, which align with the SDHSAA Foundation's mission of developing youth, providing opportunity, and building leaders."

# JOE ROBBIE - MOST VALUABLE PLAYER

A most valuable player award in memory of Joe Robbie has been presented each year to the outstanding player in each of the seven football championship games. The winners are selected by members of the South Dakota Sports Writers Association.

Joe Robbie, a native of Sisseton, was past owner of the Miami Dolphins. Robbie, who earned a law degree from The University of South Dakota in 1946, was the national fund raising chairman for the DakotaDome. In 1979, Robbie was honored for his many humanitarian efforts when he was presented the Horatio Alger Award - given in recognition of accomplishments that come about through the struggle to achieve against all odds. Joe Robbie passed away in December of 1989 and is greatly missed across the state of South Dakota.
