

March is here!

SDSCA Convention just  
around the corner!

At Monument Convention  
Center  
April 1<sup>st</sup> and 2<sup>nd</sup>

So happy so many of  
you are joining us!!!

Great speakers and  
great events will take  
place right before  
your eyes!!

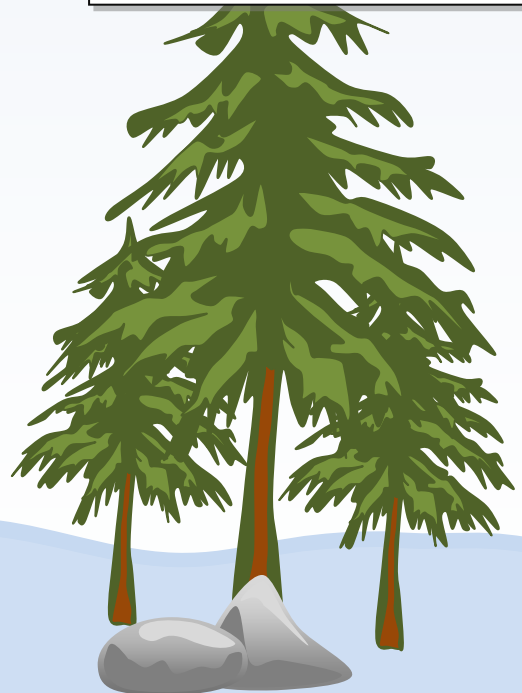

**54 school coming!**

**720 HS students  
plus MS students!**

**80 Advisors!**

**That's how SDSCA  
does a convention!**

**The state board is  
very excited about  
putting this year's  
convention on for  
you and they have  
worked very hard to  
make it look so  
easy!**

Don't forget to bring your check for **Children's Miracle Network**

## HOW WE WORK TO CHANGE KIDS' HEALTH TO CHANGE THE FUTURE

Children's Miracle Network Hospitals was founded more than 40 years ago with the vision to Change Kids' Health, Change the Future. We've raised over \$9 billion for 170 children's hospitals by empowering and engaging with local communities and businesses – and we're not done yet. All donations benefit local member hospitals to fund what's needed most, like critical life-saving treatments and healthcare services, innovative research, vital pediatric medical equipment, child life services that put kids' and families' minds at ease during difficult hospital stays, and financial assistance for families who could not otherwise afford these health services. Together, we can change kids' health. Together, we can change the future.

- . **Did you know?**

- . **72**

- . children enter a member hospital every minute.

- . **38 MILLION**

- . Member hospitals provide 38 million patient visits for 12 million kids each year.

### Melody

Melody, born with amniotic band syndrome where thread-like bands restricted the growth of her fingers and toes, discovered a path towards greater possibilities at Children's Hospital Los Angeles. Through surgeries, she not only regained the use of her hands but also the confidence to pursue her passions, singing fearlessly on stage and expressing herself through vibrant artwork. Melody's story shows us that with transformative medical care, anything is possible.

### Will

A car accident changed Will's life forever, leaving him unable to walk. But with the support of Dell Children's Medical Center, he found a new path. Therapists helped him regain strength and embrace life in a wheelchair. Today, Will is a wheelchair basketball national champion, proving that nothing can hold him back. His story shows the amazing impact of Children's Miracle Network Hospitals. Your donations can help more kids like Will thrive.
