Participation in school activities teaches that it is a privilege and an honor to represent one's school. Interscholastic activities constitute a part of the right kind of "growing up" experiences for students. Participants learn to accept success and failures, gain poise and confidence, achieve tolerance and understanding of others and gain the self-satisfaction of accomplishing goals. Under a well-administered school program, students and spectators become better citizens through participation and observation of activities conducted under established rules. GENERAL INFORMATION

A. Athletic Contest Contracts

Per the SDHSAA Constitution, all contests must be sanctioned by the Athletic Director, Principal or Superintendent of the schools involved. It is recommended that athletic contest contracts, as furnished by the SDHSAA (located in the General Sport Information Section, forms GENERAL # 2 and GENERAL # 3) be used for all levels of competition.

B. Rules of Competition

The rules and regulations governing this event are found in the TRACK AND FIELD RULES BOOK, Rule 8, with other applicable sections also governing Cross Country. **New, 2018: All Regular Season Varsity contests must be started by a licensed SDHSAA official.**

C. Information on Road Races During Cross Country Season

Athletes who have joined their high school cross country team may participate in road races once the high school cross country season started provided the following conditions are met to avoid violation of the “NON-SCHOOL TEAM/INDIVIDUAL PARTICIPATION” section of the SDHSAA Constitution and By-Laws:

1. For events that are interpreted as “competitive” in nature, such as those where times are formally kept and compared, awards issued, or events that are otherwise seen as competitive, each of the following conditions must be met:
 - a. All student-athletes who participate in Cross Country must represent their school, which includes running in their team gear
 - b. The event sponsors set up a division for high school cross country teams
 - c. Event organizers complete ‘Sanctioning’ paperwork through the SDHSAA Office
2. For events which are interpreted as “non-competitive” in nature, such as those where no places are awarded, times are not formally kept and compared, or events that may be seen as completely charitable and non competitive, all student-athletes are allowed to compete without restriction on their athletic eligibility.

NOTES: The “In-season Participation Rule” does not apply after the cross country season is over and sanction is not required. The SDHSAA will not sanction any competitions, road races or otherwise, for high school cross country teams that are scheduled to be held on Sunday. Participation in triathlons is not considered a violation of the in-season participation rule.

D. Length of Course

Beginning with the 2015 Competitive Season, the distance for all SDHSAA Region and State Championship Races will be 5,000 meters. Coaches and administrators are reminded that they have the option to adjust the length of their own local, regular-season races as they see fit, however, all races for post-season competition must be run at the 5,000 meter distance.

E. Result Reporting

Beginning with the 2020 Competitive Season, results for all SDHSAA Regular Season competitions will need to be uploaded to the SDHSAA.com website. For full information, see the Cross Country page on the SDHSAA website or the annual rules meeting.

REGION AND STATE MEET INFORMATION

A. Region Committees

1. A committee shall be formed with a meeting to be held prior to the meet for organizational purposes.
2. A school shall designate an administrative staff member (superintendent, principal, athletic/activities director) who is not coaching in the sport involved to represent the school on the committee. The representative shall then inform the school personnel directly involved with the sport of the decisions made at the committee meeting.
3. A committee chairperson (superintendent, principal, athletic/activities director) is to be elected and each committee shall function following generally accepted Rules of Order. The region committee chairperson must be currently employed as an administrative staff member from a region member school. Minutes shall be kept of each meeting with a distribution made to each school represented on a timely basis.
4. All schools participating in the meet shall be notified as to time and place of any meetings.
5. The current region chairperson must submit to the SDHSAA the name of the individual that will be the chairperson for the following year. This notification, along with an indication of the date and site for the following year should be made prior to May 1st. If a committee chair can not be named for the following year, the committee must designate a school and administrative position that will assume the chairperson’s duties. Failure to name either an individual or a school, including the designated administrative position,

for the chair will result in naming the current chairperson as the chair for the following year. If the above information is not supplied to the SDHSAA by May 15, a \$50.00 fine will be assessed against the region not in compliance. Fines will be assessed for the ensuing school year. The new region committee is responsible for payment.

6. Input of Coaches - All committees are required to give coaches an opportunity to have input to the committee prior to any decision making by the committee.
7. Meet Referee and Jury of Appeals - A referee and a Jury of Appeals shall be appointed by the Region Committee. The referee may also be the starter. The Committee may constitute itself as the Jury of Appeals. A coach first makes a verbal protest to the referee. If the coach still feels that the terms and conditions of competition or the application of the rules have been misapplied or misinterpreted, a written appeal shall be made to the jury.
8. **NEW 2016:** All Region Cross Country Meets must utilize a Registered SDHSAA Track & Field Official as the starter/referee. This can be one individual, but must be a currently-registered official.

B. Region Entries

It is the responsibility of each school to have its athletes entered in the Region Meet. Even if you do not receive a notice from your region chairman, send your entries to him/her no later than one week prior to the meet. Instructions for submitting your entries can be found at <https://www.sdhsaa.com/Portals/0/PDFs/Athletics/CrossCountry/EntryInstructionsforCoaches.pdf>.

D. Appeal and Grievance Procedure for Region Committees

1. If at all possible, the committee shall solve its own problems and make its own decisions.
2. Protests based upon a challenge to the interpretation given to a contest regulation or administrative ruling thereon must be submitted in writing within 24 hours after the contest, to the chairman of the region committee/meet. The committee shall render its decision promptly to the SDHSAA Executive Staff, and shall notify the protester, by telephone or e-mail, to be followed by a written notice of its decision sent by first class mail to the protester. An appeal from the decision of the regional committee shall go directly to the SDHSAA Board of Directors. The decision of the Board of Directors shall be final. The appeal must state the decision of the region committee and the basis for the request to overrule that decision.
3. Part V, Section 1 of the SDHSAA Constitution and By-Laws states, "Decisions of the Judges. Judges' decisions in any contest are by their nature necessarily regarded as final and shall not be considered as the basis for protest."
