SDCL 13-28-43 OPEN ENROLLMENT BETWEEN SOUTH DAKOTA SCHOOLS

Amended 2018

A student's parent or legal guardian who wishes to enroll the student, or an emancipated student who wishes to enroll, under the provisions of §§ 13-28-40 to 13-28-47, inclusive, in a South Dakota school district other than the resident district or in a school within the resident district other than the school to which the student has been assigned shall apply on forms provided by the Department of Education.

The school board or the board's designee of the district in which the student desires to enroll shall approve or disapprove the application and shall notify the applicant and the resident board, if applicable, of its decision within five days of the decision. The district in which the student desires to enroll shall review the applications in the order received. However, if the applicant is a sibling of a student accepted into and currently enrolled in the district pursuant to §§ 13-28-40 to 13-28-47, inclusive, that student's application shall take priority over all other applications the district has received consistent with § 13-28-44.

Transfers to a school district other than the resident school district under the provisions of §§ 13-28-40 to 13-28-47, inclusive, may only take place prior to the last Friday in September during the first semester of any school year, and prior to the last Friday in January during the second semester of any school year. If a school district approves an application for such a transfer after the deadline in the first semester, the transfer will occur at the start of the second semester. If a school district approves an application for such a transfer after the deadline in the second semester, the transfer will occur at the start of the following school year. However, the deadlines for transfer do not apply if:

- (1) A student is seeking to transfer to an alternative school or a specialized nonpublic educational program;
- (2) A student enrolls in a school district after the deadline in either semester; or
- (3) The receiving school district school board or the board's designee determines that special circumstances exist and allows a student to transfer after the deadline.

Intradistrict transfer applications may be accepted and acted upon at any time at the board's discretion if the policies on which the transfer decisions are based are consistent with the other requirements of §§ 13-28-40 to 13-28-47, inclusive.

An application may be withdrawn by the applicant prior to the approval of the request and upon notification of the district to which the student applied. Once approved by the district in which the student wishes to enroll, the approved application serves as the applicant's notice of intent to enroll in the nonresident district or desired school during the school year and obligates the student to attend school in the nonresident district or desired school during the school year, unless, as provided in § 13-28-47.1, the affected school board or boards agree in writing to allow the student to transfer back to the resident district or assigned school, or unless the parents, guardians, or emancipated student change residence to another district.

The one-year suspension may be reduced to thirty calendar days if the person participates in an assessment with a certified or licensed addiction counselor. If the assessment indicates the need for a higher level of care, the student is required to complete the prescribed program before becoming eligible to participate in extracurricular activities. Upon a second adjudication, conviction, diversion, or suspended imposition of a sentence for possession, use, or distribution of controlled drugs, substances, or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substance as prohibited by § 22-42-15, by a court of competent jurisdiction, that person is ineligible to participate in any extracurricular activity at any secondary school accredited by the Department of Education for one year from the date of adjudication, conviction, diversion, or suspended imposition of sentence. The one year suspension may be reduced to sixty calendar days if the person completes an accredited intensive prevention or treatment program. Upon a third or subsequent adjudication, conviction, diversion, or suspended imposition of sentence for possession, use, or distribution of controlled drugs or substances or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substances as prohibited by § 22-42-15, by a court of competent jurisdiction, that person is ineligible to participate in any extracurricular activity at any secondary school accredited by the Department of Education. Upon such a determination in any juvenile court proceeding the Unified Judicial System shall give notice of that determination to the South Dakota High School Activities Association and the chief administrator of the school in which the person is participating in any extracurricular activity. The Unified Judicial System shall give notice to the chief administrators of secondary schools accredited by the Department of Education for any such determination in a court proceeding for any person eighteen to twenty-one years of age without regard to current status in school or involvement in extracurricular activities. The notice shall include name, date of birth, city of residence, and offense. The chief administrator shall give notice to the South Dakota High School Activities Association if any such person is participating in extracurricular activities.

Upon placement of the person in an informal adjustment or court-approved diversion program, the state's attorney who placed the person in that program shall give notice of that placement to the South Dakota High School Activities Association and chief administrator of the school in which the person is participating in any extracurricular activity.

As used in this section, the term, extracurricular activity, means any activity sanctioned by the South Dakota High School Activities Association. 13-32-9.2. (Amended 2015) REDUCED SUSPENSIONS—MINIMUM REQUIREMENTS—COMMENCEMENT OF SUSPENSION

If a suspension is reduced pursuant to § 13-32-9, a suspension for a first offense shall make the student ineligible for a minimum of two South Dakota High School Activities Association sanctioned events. If two sanctioned events for which the student is ineligible do not take place within the reduced suspension period, the student's suspension remains in effect until two sanctioned events for which the student is ineligible have taken place. If a suspension is reduced pursuant to § 13-32-9, a suspension for a second offense shall make the student ineligible for a minimum of six South Dakota High School Activities Association sanctioned events. If six sanctioned events for which the student is ineligible do not take place within the reduced suspension period, the student's suspension remains in effect until six sanctioned events for which the student is ineligible have taken place. To count toward the minimum number of events, the student must participate in the entire activity season and may not drop out or quit the activity to avoid suspension and the failure of a student to complete the entire activity season shall result in the student being ineligible for one year from the date of adjudication, conviction, the subject of an internal adjustment or court approved diversion program, or the subject of a suspended imposition of sentence or suspended adjudication of delinquency. A suspension that is not completed by the student during one activity season shall carry over to the next activity season in which the student participates. In addition, a suspension that is reduced pursuant to § 13-32-9 is only in effect during the South Dakota High School Activities Association's activity year, which begins on the first day of its first sanctioned event and concludes on the last day of its last sanctioned event. A reduced suspension that is not completed by the end of one activity year shall carry over to the next activity year.

A suspension begins on:

(1) The day following the notification to a school administrator by the Unified Judicial System that a student has been adjudicated, convicted, the subject of an informal adjustment or court approved diversion program, or the subject of a suspended imposition of a sentence or a suspended adjudication of delinquency for possession, use, or distribution of controlled drugs, substances, or marijuana as defined in chapter 22-42, or for ingesting, inhaling, or otherwise taking into the body any substance prohibited by § 22-42-15 and the school administrator gives notice to the South Dakota High School Activities Association and the students; or

(2) The day following the student's admission to a school administrator that the student committed an offense enumerated in subdivision (1), which shall be made with the student's parent or guardian present if the student is an unemancipated minor, and the school administrator gives notice to the South Dakota High School Activities Association.
