

# SUBMITTING SUBSTATE BROADCAST LINKS – MEDIA

**NOTE:** This process may be done for any regular season contest as well. Please submit only **DIRECT LINKS** to your stream and not a link to some other general page. Public service announcements and promos for use during your broadcast are found at <https://www.sdhsaa.com/psas-promos/>.

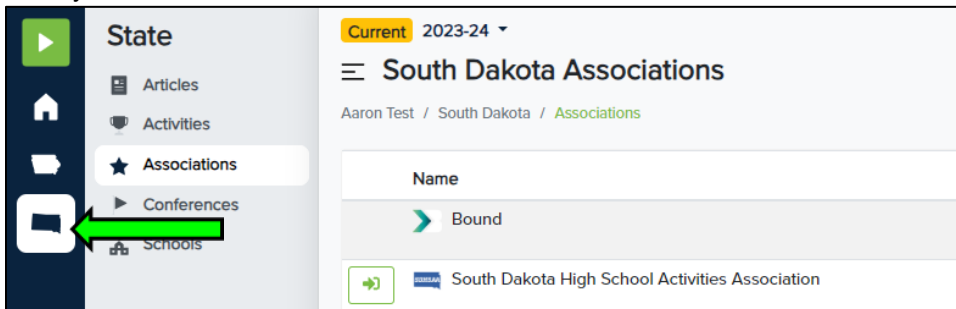

1. If you have not already done so, [create a user account](#) on Bound. Otherwise, skip to next step.
2. Once you have a Bound user account, go to <https://www.sdhsaa.com> and click the gray “Media Login” button in the top right corner of the page.

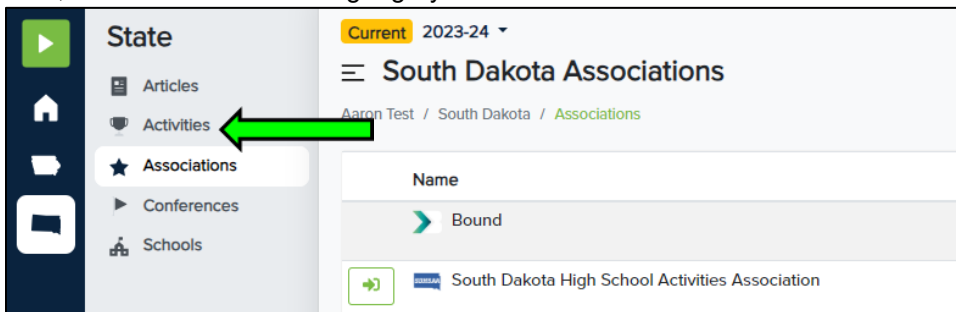

3. Login to your Bound account by whichever means you created the account (either using Apple, Google, or email address/password) and then click the “MY DASHBOARD” button.

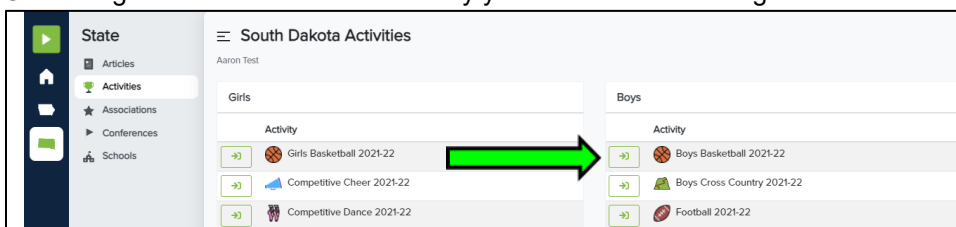

4. From your Media Dashboard, click the South Dakota icon in the left sidebar.

5. Next, click “Activities” in the light gray area next to the colored sidebar.

6. Click the green arrow next to the activity you will be broadcasting.

7. Select the date of the contest and then click the green arrow next to the contest.

The screenshot shows a web interface for managing sports events. On the left is a sidebar with navigation options: State, Articles, Activities, Associations, Conferences, and Schools. The main area is titled '2021-22' and 'Aaron Test / Activity / Season'. A date filter is set to 'October 5, 2021'. Below this is a table of contests:

Competition	Location
O'Gorman vs. Spearfish	Black Hills Power Sports Complex
Sioux Falls Roosevelt vs. Pierre T.F. Riggs	PILC Soccer Complex
Yankton vs. Rapid City Stevens	Sioux Park Complex
St. Thomas More vs. Sioux Falls Christian	Sioux Falls Christian School

8. Click the “Add Content” button in the top right of the screen and select “Add Link”.

The first screenshot shows a dark blue button with a white plus sign and the text '+ Add Content'. A green arrow points to the right side of the button. The second screenshot shows the same button with a dropdown menu open. The menu contains three options: '+ Add Content', '+ Add Link', and '+ Add Article'. A green arrow points to the '+ Add Link' option.

9. Complete this screen with the live stream information. ‘Title’ is what the public will see on Scores/Schedule page. In the ‘Payment’ drop-down box, select whether your feed requires payment or not. Click “Save” when done.

The screenshot shows a form for adding live stream information. The form is titled 'O'Gorman vs Spearfish' and '10/5/2021 4:00 PM, Black Hills Power Sports Complex'. It has an 'Overview' section with a warning: 'Please post only relevant links. The Varsity Bound team reviews all posted links and has the right to remove any link they deem inappropriate or irrelevant. If there are any issues, your media account may be removed from the platform.' Below this are several fields:

- Status: Active
- Category: Radio
- Title: (empty)
- Publisher: (empty)
- Link: (empty)
- Payment: Free

A green arrow points to the 'Save' button at the bottom left.

10. Once saved, your link will be displayed as shown in first image below. Additionally, a “LIVE” link will be added to the game on the SDHSAA website for the public to access your live stream (depicted in second image below).
