Class AA – 450.000 and above

Class A – 90.000 to 449.999

Class B – 89.999 and below

Football (2015-16 and Beyond) – BOYS ONLY ADM Count

11AAA – 400 ADM and above, including at least eight largest schools

If the number of nine-man teams is not divisible by three, the odd number will go to the lower classes.

NOTE: Schools with an ADM of less than 56.001 may elect to play 11-man football. Any 9-man school/coop whose ADM jumps from below 56.001 to 56.001 or above has two years to make the transition from 9-man to 11-man pursuant to the policy stated in the football section.

Gymnastics – Comp Cheer – Comp. Dance – Soccer

Class AA – 450.000 and above

Class A – 449.999 and below

Class B – 139.999 and below

All schools in one class

Wrestling

Class A – 225.000 and above

Class B – 224.999 and below

Classification is based upon the Average Daily Membership (ADM) for grades 9-11.

NOTE: The Board of Directors will grant permission to any school to participate in a higher classification than their ADM places them. If a school requests and is granted permission, they will remain in the higher classification for a two-year alignment period. At the end of the two years, they could exercise their option again if they so desire. If a school requests to move up in one activity they must move up one classification in all other activities that use the same classification formula.

Petitioning Up: Football – SF O’Gorman
Golf – Aberdeen Roncalli, Groton Area, Parkston
Wrestling – Lennox, Chamberlain

NOTE: (Football Only) If two (2) or more schools enter into a cooperative agreement, the larger school will be considered the base school and the smaller school(s) will be considered the satellite school(s). The entire ADM (9-11) of the base school will be counted. The number of student participants from the satellite school(s) will be determined from the active participants listed on the roster submitted on the SDHSAA website as of October 23, 2014 (for 2015-16). For each active, rostered participant grades nine through eleven from the satellite school(s), 10% of that school’s ADM will be counted. It will be necessary for the satellite school to identify students from their school listed on the roster.
