 - ... *allegretto* – moderately fast
 - ... *allegro* – fast and lively
 - ... *vivo, vivace* – very fast and intense
 - ... *presto* – the fastest conventional tempo
 - ... *prestissimo* – as fast as possible
- 94. *tenuto* (*ten.*) – held, sustained for full value
- 95. *timbre* – tone color
- 96. *tranquillo* – quiet, peaceful
- 97. *trill* (*tr.*) – a rapid alternation between the written note and the diatonic second above it
- 98. *troppo* – too much
- 99. *tutti* – all, with all performers
- 100. *un, una, uno* – one
- 101. *unison* – together on the same part or in octaves

~~~SCALES~~~

- Major Scales** are diatonic scales with half-steps between 3 - 4 and 7 - 8.
- Natural Minor Scales** are diatonic scales with half-steps between 2 - 3 and 5 - 6
- Harmonic Minor Scales** are natural minor scales with the 7<sup>th</sup> scale degree raised a half-step. This adds a half-step between 7 - 8, and an interval of 1 ½ steps between 6 - 7.
- Melodic Minor Scales** are natural scales where the 6<sup>th</sup> and 7<sup>th</sup> scale degrees are raised one half step in the ascending form creating half steps between 2 - 3 and 7 - 8. These notes are lowered to their natural state in the descending scale, making it identical to the natural minor.
- Chromatic Scales** are scales which proceed by half-step from the first note to the last note.

~~~KEY SIGNATURES~~~

C Major – no sharps or flats
a minor – no sharps or flats

| Flat Keys | |
|------------------|--------|
| Majors | minors |
| 1 – F | 1 - D |
| 2 – Bb | 2 - G |
| 3 – Eb | 3 - C |
| 4 – Ab | 4 - F |
| 5 – Db | 5 - Bb |
| 6 – Gb | 6 - Eb |
| 7 – Cb | 7 – Ab |

| Sharp Keys | |
|-------------------|---------|
| Majors | Minors |
| 1 – G | 1 - e |
| 2 – D | 2 - b |
| 3 – A | 3 – f # |
| 4 – E | 4 – c # |
| 5 – B | 5 – g # |
| 6 – F # | 6 – d # |
| 7 – C # | 7 – a # |

~~~BOWING TERMS~~~ \* ( for anyone auditioning for All-State Orchestra, winds, percussion and strings )

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
