

Hello everyone,

Thought I had better get this last letter out before summer vacation starts. Hope I caught the early birds! Our new state board seems very enthusiastic about the upcoming year. They are all signed up to attend the NFHS Leadership Summit in Indianapolis this July. It will be a great experience for all of them and I'm looking forward to taking them on this adventure!!

Hope each and every one of you have a great summer vacation and get to spend lots of time with family and friends before we all start this over again in the fall!!

On the next page are the responses to advisor round table discussions. Thanks for your input!

A big Thank You to all the advisors and students who traveled from the 4 corners of our state to make our 2019

SDSCA convention a success!!

A lot of work was done by our state board and it paid off! We did learn a few things that we need to do different, but we are continually learning how to improve our convention.

2020 here we come in March 29-30th

Community service projects:

Blood drives, choose 2 local charities to support all year long, bell ringing, cancer fund night, local family Christmas relief, feeding SD, canned food challenge

Welcoming new students to your schools:
