Definition of Competitive Cheer and Sideline Cheer

- Competitive Cheer is an SDHSAA recognized sport and must follow the SDHSAA regulations as it pertains to competitor eligibility, season length, number of contests, coaches and judges qualifications, competition guidelines and out of season rules. Season begins Monday of week 5 and ends Saturday of week 16.
- Sideline Cheer is not an SDHSAA recognized sport. It is a support activity for a competitive sport sponsored by the SDHSAA. The competitive cheer coach may coach/advise a sideline cheer squad/team; however, the squad/team may NOT compete at any level against any SDHSAA competitive cheer team.

Participation in school activities teaches that it is a privilege and an honor to represent one's school. Interscholastic activities constitute a part of the right kind of "growing up" experiences for students. Participants learn to accept success and failures, gain poise and confidence, achieve tolerance and understanding of others and gain the self-satisfaction of accomplishing goals. Under a well-administered school program, students and spectators become better citizens through participation and observation of activities conducted under established rules. Competition schedules and team rosters must be completed on the SDHSAA website form no later than September 1. These forms may be updated as the season progresses.

C. Classification and Alignments

Schools will be classified according to Average Daily Membership figures from the most recent classification cycle. Squads with an ADM of 450 and above shall participate in Class 'AA' Competitive Cheer, while squads whose ADM's are below 450 will participate in Class 'A' Competitive Cheer.

The Board of Directors will grant permission to any school to participate in a higher classification than their ADM (9-11) places them. If a school requests and is granted permission, they will remain in the higher classification for a two-year alignment period. At the end of the two years, they could exercise their option again if they so desire. If a school requests to move up in one activity they must move up one classification in all other activities that use the same classification formula. The SDHSAA must be notified by July 1.

D. Contracts

According to Article VIII, Section 2 of the SDHSAA Constitution, all contests must be sanctioned by the Athletic Director, Principal, or Superintendent of the schools involved. It is recommended that contest contracts, as furnished by the SDHSAA on its website (under Forms – Athletic Forms – Officials & Game Contracts) be used for all levels of competition including regular season contests, as well as tournaments, invitational, and double-headers, etc.

E. Eligibility

All participants shall be eligible under the constitution and By-laws of the SDHSAA. Eligibility lists must be submitted to the Association Office.

F. Coaching Requirements

The requirements for competitive cheer coaches are as follows:

- View on-line rules meeting (Annually)
- Take and pass on-line open book test (Annually)

The Board of Directors has adopted the following penalty code for non-compliance of this policy:

- A fine of \$50.00 will be assessed against the member school if the head coach fails to submit and pass the on-line open book test, or view the on-line rules meeting. If both the test and rules meeting are missed, the fine is \$75.00.

The above is being done in an attempt to improve knowledge of the rules among the high school coaches.

Notification of testing dates and procedures will be sent to Athletic Directors of each school.

G. Coaches Must Meet SDHSAA Educational Requirements

All athletic coaches in member schools must meet the education requirements set forth by the SDHSAA. **NOTE:** See Coaches Education Program on website under the Athletics tab for SDHSAA Coaches Education Program.

H. Judges

There is only one level for judges – registered.

Types of Judges for Cheer Competitions

- Safety judges will be responsible to detect, record, and report rules violations committed during a team's performance.
- Performance judges will be responsible for evaluating and scoring the elements listed on the judging ballot.

Note: Both types of judges will be required at each competition.

N. Uniforms

All team members must be dressed in the school issued uniform that complies with the National Federation uniform guidelines. Uniforms must be like in color, but do not need to be identical. 5 points will be deducted per uniform violation.

O. Injury

Injury Procedures: if an injury occurs during the routine, only a judge can stop the competition until the injured person is removed from the competitive area. The procedure for stopping the competition is for any judge to hold up a red flag/sign/card signaling that the routine should be stopped. Note: A team with an injured person will be given the opportunity to perform the entire routine at the end of their classification competition without the injured person.

An athlete who exhibits signs, symptoms or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play (competition) until cleared by an appropriate health-care professional.

When it is detected that a participant is bleeding, has an open wound or an excessive amount of blood on the uniform, the participant must stop performing to receive proper treatment.

P. Performance Ready

Coaches understand that teams must be “performance ready” once they step on the competitive floor to avoid deductions. Once the competitive team steps on the floor to compete the coach is verifying legality of team uniform, equipment, and compliance of NFHS and SDHSAA rules which govern this sport. All participants need to be “performance ready” to avoid deductions.

Q. Performance Procedures

Teams will be called to the competitive area by the announcer prior to their performance. Three teams will be announced each time—“Performing”, “On-Deck”, and “In the Hole”.

A 10 point “unnecessary delay” deduction will be taken if a team is not in the on-deck area when called. Once a team is called to the on-deck area, points will be deducted for various violations, such as, jewelry, hair, nails, glitter, etc.

ONLY PERFORMING MEMBERS OF THE CHEER TEAM AND THEIR COACH MAY BE IN THE “ON-DECK AREA” FOR COMPETITION OR 10 POINTS WILL BE DEDUCTED.

A practice/warm-up area should be made available. Schools should furnish their own equipment and music for use in the practice/warm-up area.

During regular season, the warm-up area must be equipped with adequate gymnastic/wrestling mats or cheer mats for warm-up of the competitive teams. Participating schools, by mutual consent, may agree on proper warm-up facilities.

R. Performance Requirements

Time

The length of the routine shall be a maximum of two minutes-thirty seconds (2:30). Teams may begin from any position on the mat and the time of the routine will begin with the first word, musical sound, or movement of any team member and will stop with the last word or movement of any team member. If the routine concludes with a pyramid, the final dismount is not timed. There will be a maximum of one minute-thirty seconds (1:30) of music allowed in the routine.

Music

I-pods and Auxiliary cords are the general means of music used at competitions. No CD’s. Coaches need to record music at a high level. Schools must have backup music available. Working with the sound technician, the coach or representative for the team is responsible for starting and stopping the music during the routine. If there is a music issue, the meet director/sound technician should report to the judges the music issue, no deduction would be taken for a technical issue.

Time Infractions: Time infractions occur for overtime of competition and violation of length of music.

- 1-3 seconds over time warning
- 4-8 seconds over time 10 pts
- 9 or more seconds over time 20 pts

- Props are not allowed, with the exception of poms, signs, flags, and megaphones. Mascots will not be part of the routine.

S. Disqualification Procedure

For a team to be disqualified, all judges must agree that the offense is serious enough for disqualification. Any judge, safety or performance, may make a ruling for disqualification. Upon judge’s ruling for disqualification, judges will inform the hosting Athletic Director and coaches prior to the awards ceremony to explain the disqualification. Judges must fill out the disqualification form and send it to the SDHSAA office explaining the circumstances surrounding the

disqualification. SDHSAA will then contact the school to ensure knowledge and reason for the disqualification. The school that has been disqualified will not be allowed to compete the remainder of the day.

2. All facets of a performance or routine, including choreography, music selection, and outfitting, should be suitable for family viewing and listening. Uniforms for all team types should be appropriate for the age of the participants performing the routine. Outfitting for cheerleading and dance performances should follow traditional dress standards. In general, school performances, including but not limited to the actual routine, signs, cheers, chants, and hand signals/gestures, should adhere to outfitting, performance, and music guidelines and criteria in place and approved by the administration of the school which the team represents.

SUGGESTED GUIDELINES FOR HOSTING A COMPETITION

Cheer and Dance Competition Reference

In an attempt to provide consistency amongst Cheer and Dance competitions, we ask that schools hosting any Cheer/Dance competitions that they try and utilize the information listed below.

1. **Score Program**: Bruce Kleinsasser (Aberdeen Central) is willing to set up the score program and enter the information and send the program to you prior to your competition. It is very user friendly and it would provide consistency of how the coaches receive their final results. Please contact Bruce at Bruce.Kleinsasser@k12.sd.us
2. **Packets** at the end of competition should include:
 - a. The judges score sheets (performance and safety)
 - b. The final score sheet that lists all scores and deduction and the ranking for each school participating (which the score program will do for you).
3. **Awards** should be done at the END of the EVENT and not at any break or intermission.

4. Order of Competition for Cheer

This is the preferred order of competition. We do realize that some meets may have Class A and AA schools in the same competition. The host management has the prerogative to host the event with the category being one size squad, however we would like the order of events to stay consistent.

Class A	Stunting/Tumbling	Small Squad
	Stunting/Tumbling	Large squad
	Co-ed Stunting/Tumbling	One size squad
Class AA	Stunting/Tumbling	One size squad
	Co-ed Stunting/Tumbling	One size squad

5. Order of Competition for Dance

Class A	Hip Hop	One size squad
Class AA	Hip Hop	One size squad
Class A	Jazz	One size squad
Class AA	Jazz	One size squad
Class A	Kick	One size squad
Class AA	Kick	One size squad
Class A	Pom	One size squad
Class AA	Pom	One size squad

6. Order of Competition if Combine Cheer and Dance Competition

Basically, alternate cheer and dance, but would like to see the order of competition stay the same. In other words, stunting/tumbling, then Hip Hop followed by stunting/tumbling, followed by Jazz. This will provide consistency in the format of all competitions. As we all know there are usually far more dance routines than cheer routines, so it is alright to place the dance routines in between cheer, just remember the order should be: hip hop, jazz, kick and pom.

OTHER ITEMS FOR CONSIDERATION

1. Cheer: must have mat (42' x 42' minimum) mat strips are vertical; Large squad mat size: 42' x 54'.

Coaches will need to be seated in the VIP section or standing by the music sound system during competition (if they choose to put in music). Designated coaches must be wearing name badges to be in the VIP seating. Competitive

teams not performing will need to be seated in the bleachers. There will be a 10 point team deduction for not being in the designated areas during the team's performance.
