

## **Leaders We Can Depend On (:30)**

Question, when you walk into the board rooms of the most successful companies here in South Dakota, who do you meet? Answer, men and women who played high school sports. Education-based high school sports give us more than athletes we can root for; they give us leaders we can depend on.

Question, so where will we find tomorrow's leaders? Answer, high school sports. This message presented by the South Dakota High School Activities Association and the South Dakota Interscholastic Athletic Administrators Association.
