

More Than Extracurricular (:30)

What do basketball, choir, drama club, and marching band all have in common? They are all high school activities that offer learning opportunities not necessarily found in classroom. They take up just a fraction of a typical South Dakota high school's budget and they go a long way to giving young people the tools they need to thrive. High school activities...they are more than extracurricular, they are extra important too.

This message presented by the South Dakota High School Activities Association and the South Dakota Interscholastic Athletic Administrators Association.
