

We See (:60)

Runners to your mark, get set, go! You may see a sprinter. At the NFHS, we see a future leader already off to the races. Some may see a volleyball player. At the NFHS, we see a spike in confidence that will help her achieve her potential. What else do we see? Musicians learning to march to their own beat.

We're the NFHS, the national leader and advocate for high school athletics and activities in America, helping today's teenagers develop the skills they need to become tomorrow's leaders and we see it happening in communities across South Dakota every single day. Learn more about the NFHS commitment to you at [NFHS.org](https://www.nfhs.org).

This message presented by the NFHS the national federation of state high school associations.
