SDHSAA REGIONAL STUDENT COUNCIL LEADERSHIP WORKSHOPS & SDSCA MEETINGS

The 2017-18 SDHSAA Regional Student Council Workshops were scheduled in seven sites during the Fall season.

The Workshops were designed to give students and advisors instruction in leadership techniques. The 2017-18 Workshops were organized around the theme "*Hometown Heroes*". The Workshops provided an opportunity for students to meet other student leaders from area schools to exchange leadership ideas and share information about student council operation and projects. The schedule for each Workshop also included time to update the schools about region activities in the South Dakota Student Council Association (SDSCA) region in which the workshop was held.

OUTSTANDING STUDENT COUNCIL RECOGNITION AWARDS

The SDHSAA "Outstanding Student Council Recognition Program" was created during the 1990-91 school year as a means of recognizing those student councils that meet the program's specified criteria. Those schools receiving the "Outstanding Student Council" designation have met standards of having well rounded programs that benefit their school, their community and the state. The "Outstanding" program consists of a self-evaluation of the activities and involvement by each participating student council. The 2017-18 school year was the twenty-eighth year of providing recognition to those student councils deemed to be "Outstanding" in the State.
